I'm decimating the competition  
With my fucked up rendition  
Of this muthafucking song  
It's my tradition

I fucked up Limp Bizkit  
With my own slip disks  
And the fucking bastards  
Just came and dissed my district

I ain't have to diss people  
To get my career started  
You muthafucking assholes  
Fuck everything and pass it  
Knew I was special from  
My first demo tape  
My first hit moved straight on  
To my first hate  
And my first date  
Was as fucked up as it gets  
Passed the test  
But the bitch didn't want to get wet  
So I killed my guinea pig  
Just to up and spite her  
My fucking bitch of a mom  
Screamed and said I didn't like her

I'm decimating the competition  
With my fucked up rendition  
Of this fucking song  
It's my tradition

I fucked up Limp Bizkit  
With my own slip disks  
And the fucking bastards  
Just came and dissed my district

Yo freestyle for all you muthafuckas  
Eminem 1999  
It feels so good to be back
