[Chorus]

I'm just ridin' and decidin' if I want someone to hold  
No commitment I'm just gettin' laid, I can get cos  
California, sweet California  
Got the sunset on where we can hot it  
Got me on a... ooh

[Verse 1]

Want somebody down wit your clown  
Would you ridr around town  
Would you let the sun hit your weed smokin'  
Fuckin' take a shower  
Lay down wit ya in the bed wit ya wide open  
Got me on my back with my thighs wide open  
I stay wet, I don't need no lotion  
Meet me in the back of the spot love potion  
Meet me in the sunshine stay west coastin'  
Hit it from the side fly by sex motion  
Do a drive by, fly high, fuck boastin'  
Crack on mine, we merry eyed boatin'  
In the sea fishin'  
Beverly Hill ho, Beverly Hill pigeon  
Beverly shoppin', Beverly men pickin'  
Beverly hotel, Beverly sweet pimpin'  
Compton game got Beverly men listen

[Chorus]

I'm just ridin' and decidin' if I want someone to hold  
No commitment I'm just gettin' laid, I can get cos  
California, sweet California  
Got the sunset on where we can hot it  
Got me on a... ooh

[Verse 2]

Niggas wanna hit me from the where, the where  
Spank me and pull my hair, yeah  
Talk to me like you really care  
Actin' all queer like you Fred Austaire  
You think I'm stupid, don't ya  
You think I'm a lay down and let you stick me  
With your beat poker

Don't cha, mister Swiss mocha  
You can come closer  
You can come over  
You can have a side on the ??? of my poster  
Drunk or sober  
May or October, come right over  
Rub my shoulders, four leaf clover  
No gun holsters, get fucked wake up with a hangover  
Twelfth quarter nothing left when the game over  
Wake up all alone nights get colder  
See you the next day get a cold shoulder

[Chorus]

I'm just ridin' and decidin' if I want someone to hold  
No commitment I'm just gettin' laid, I can get cos  
California, sweet California  
Got the sunset on where we can hot it  
Got me on a... ooh

[Verse 3]

Let's get it on we can meet alone  
Get it on in the freak song  
We can both get it on when the heat's on  
Look, we can both do wrong  
Spent too long, I grew too strong  
I got full blown to guard my home  
Got me a loan, bought me a home  
Order mine to go, walk me a low-low  
In the six-four, sittin' on chrome  
Datin' ??? dipped in all gold  
Rub with three hoes pick up three mo'  
Buy some Indo, roll purple smoke  
We all do the most, keep niggas close  
Keep heat closer, avoid all vultures  
Now to get in like we supposed ta  
Sunshine, sunny state, California

[Chorus]

I'm just ridin' and decidin' if I want someone to hold  
No commitment I'm just gettin' laid, I can get cos  
California, sweet California  
Got the sunset on where we can hot it  
Got me on a... ooh
