[Chorus]:

Keep on going you just gotta fight it, keep on going
cause it's not too late, you can't back down,
you can't back down. Keep on going you just gotta
fight it, keep on going cause it's never too late, you
can't back down, you can't back down.

[Eminem]:

If I could capture the rage of today's youth and bottle it
Crush the glass from my bare hands and swallow it
Then spit it back in the faces of you racists
and hypocrites who think the same shit but don't say
shit
You Liberace's, Versace's, and you nazis
Watch me, cause you thinking you got me in this hot
seat
You motherfuckers wanna JUDGE me cause you're NOT
me
You'll never STOP me, I'm TOP speed as you POP me
I came to save these new generations of babies
from parents who failed to raise 'em cause they're lazy
to grow to praise me I'm makin 'em go crazy
That's how I got this whole nation to embrace me
And you fugazi if you think I'ma admit wrong
I cripple any hypocritic critic I'm sic'd on
And this song is for any kid who gets picked on
A sick song to retaliate to, and it's FIGHT MUSIC!

[Chorus]

[T.I.]

they say out of sight is out of mind
and 9 times out of 10 me and out of pocket out of line
you do it big everybody that you out shined
then your old lady fate talk about how he got fine
she say she trying to get away
he say about time
right now we all thinking damn hope it not mine
but when its lights out for you and you locked down
aint not telling whether or not your lady when and got
down
with that nigga cross town cause he hot now

ripping up your love letters, lifting up her night gown
right now somebody baby moma gettin piped down
kids in the next room listening, ima pipe down
the thought hurt don't it
but maybe she strong enough for aint get that lonely
cause you wasn't gone long enough
true
its just a temporarily setback
its on when I get back , Like yeaah

[Chorus]

[Game]

The Dream of Huey Newton, thats what im livin' through
The Dream of Eric Wright, thats what im givin you!
Who walk through the Whithouse without a business
suit?
Compton had Jerry Curl drippin' on Ronald Reagens
shoes
Gave Mike Lim my demo came here to pay my dues
Started of with Whoo Kid then i started blazin Clue
It was all a Dream like BIG sait it be
Dont sleep on me homie i BRING NIGHTMARERS TO
REALITY
Rap Phenomenon defyin' the rulez of gravity
Studied all the classic start revisin my strategy
Cuz Marshall Mathers made it
Curtis Jackson made it
Head in the clouds wonderin where the hell Marvin
Gaye went?
How do i say this,im livin for my son but i can't
figure,why im at my temple with this gun
Wake up to a Jesus Piece like a Cathlic Nun
The War to be a rap legend had just begun'

[Chorus]
