I used to be a man but now im a boy i used to treat my paddleing pool like it was a toy. But know im a bit more older i see what it is, its like a fucking pair on conjoint simese twins twinnns. One Day my mother said to me "why dont you ever play outside" i used to crawl under my pool and hide i used to weath and duck to avoid her but then my friend carrington came and destroyed her, i used to this he was a dude but then he became orfully so rude. He used to say "Oi Marshell go back to bed your not wanted no more" so i packed up my pool and snuck out of my living room it was dark and fuzzy and i couldnt see a boom i looked into the window and saw christiphor reades he was taunting me and laughing at mee so i took out my pool and hit him over the head i told him to go to my house and go under my bed.
