[Paul:] You said that love was just a state of mind  
A puzzle made of pieces you can't find  
And for me you never really had the time  
I was blind.

[Christian:] And everything that you meant to me  
Is written in the pages of my history  
But it's over now as far as i can see  
Suddenly

[Ben:] Things are so different now you're gone  
I thought it'd be easy i was wrong

([Ben:] i can't get over you)

So different

([Paul:] it's so different)

So easy  
([Mark:] so easy)  
But i can't get over you  
([Ben:] and i can't get over you)

[Ben:] Things are so different now you're gone  
I thought it'd be easy i was wrong  
[All:] And now i'm caught  
[Ben:] And now, i'm caught in the middle  
Even though i'm with someone new  
All i can think about is you  
[All:] And now i'm caught  
[Ben:] And now, i'm
