Eminem-  
Yeah ...  
Definitely definitely definitely dope...  
Definitely definitely K-Mart  
Yeah Yeah  
You find me offensive  
I find you offensive for finding me offensive  
hence if I should draw out a line any fences  
if so to what extent, if any, should I go?  
cause it's getting expensive  
being on the other side of the court room on the  
defensive  
they say I cause extensive psychological nerve damage  
to the brain  
when I go to lengths this far at other people's expenses  
I say you're all just too god damn sensitive  
it's censorship and it's downright blasphemous  
let's end this shit now cause I won't stand for this  
and Christopher Reeves won't sit for this neither  
and let's clear this up too I aint got no beef with him  
either  
he used to be like a hero to me  
I even believe I had one of those 25 cent stickers on my  
refrigerator  
Right next to Darth Vader and Darth must have put a  
hex on him for later  
I feel like its my fault cause of the way that  
I stuck him off in between him and Lex Luther  
I killed Superman I killed Super... Man  
and how ironic that I'd be the bad guy kryptonite  
the green chronic

(Chorus)  
Cause i aint got no legs  
or no brain  
nice to meet you  
hi my name is...  
i forgot my name  
my name was not to become what i became with this  
level of fame  
my soul is possessed by this devil  
my new name is...

## Rain Man

Now in the bible it says  
thou shall now watch two lesbians in bed  
have homosexual sex  
unless of course you were given the consent to join in  
then of course it's intercourse and it bisexual sex  
which isn't as bad as long as you show some remorse  
for your actions  
either before, during, or after performing the act of  
that which  
is normally reffered to as such more commonly known  
phrases  
that are more used by today kids  
in a more derogatory way  
but who's to say what's fair to say and what not to say  
let ask Dr. Dre  
Dr. Dre (what up?)  
I got a question if i may (yeah)  
is it gay to play putt putt golf with a friend (yeah)  
and watch his butt butt when he tees off (yeah)  
but but i aint done THAT  
in football a quarterback yells out hut hut  
while he reaches in another grown man's ass

grabs on his nuts, but just what if  
it was never meant, it was just an accident  
but he tripped, fell, slipped and his penis went in  
his teeny, tiny, little, round hiney  
and he didn't mean it but his little weenie flinched just  
a little bit  
and I don't need to go into any more details  
but what if he pictured it as a female's butt  
is that gay? I just need to clear things up  
til then I'll just walk around with a manly strut because...

(Chorus)  
Cause i aint got no legs  
or no brain  
nice to meet you  
hi my name is...  
i forgot my name  
my name was not to become what i became with this  
level of fame  
my soul is possessed by this devil  
my new name is...  
Rain Man

You find me offensive  
I find you offensive...  
shit this is the same verse, I just did this

when am I gonna come to my good senses?  
probably the day Bush comes to my defenses  
my spider senses telling me Spider-Man is nearby  
and my plan is to get him next and open up a whoop  
ass canister  
god damnit Dre where's the god damn beat (yeah)  
anyway  
anyway I don't know how else to put it  
this is the only thing that I'm good at  
I am the bad guy kryptonite, the green chronic  
demonic, yep yep, don't worry I'm on it, I got it  
high-five Nick Lechey stuck a pin in Jessica's head and  
walked away  
and as she flew around the room like a balloon i'd  
grab the last can of chicken tuna out the trash can  
and to my headed straight back to the Neverland  
Ranch  
with a peanut butter jelly chicken tuna sandwich  
and I don't even gotta make no god damn sense  
I just did a whole song and I didn't say shitttt

(Chorus)

Cause i aint got no legs  
or no brain  
nice to meet you  
hi my name is...  
i forgot my name  
my name was not to become what i became with this  
level of fame  
my soul is possessed by this devil  
my new name is...  
Rain Man
