[Eminem]

Nowadays everybody just wanna poke there nose in  
our business

What is this some kinda joke

Everywhere I go all I'm hearing is more talk

What's up with Jada and Fat Joe?

Doin' a song with ol' boy on the song "New York",

Man I thought you just did a song with them both?"

Man the streets wanna know how you gonna go and  
diss Michael

You should get your ghetto pass revoked

I never had no ghetto pass you asshole

You really wanna know when I did live in the ghetto

I kept a trespassing charge up at the railroad tracks

So I suggest you get your facts straight before you go

This assuming u know

I aint grow up in no trailer park just cause I was poor

Man this is my testimony to those that don't know

Man it felt like they do

If not to feel compelled to go and speak on me too.

So this d-ck goes to you and this d-ck goes to you

And if you feel like you want it you can get it too

And when your through pass it to the person next to  
you

Hey yo Stat get on the Mic and come and spit a few

[Stat Quo]

Muthaf-ckers so quick to spit bullsh-t

Standing in the pulpit, A A- Town misfit

Reppin dat south sh-t

Losing patience wanna get on chasing for this

Taking all my energy

Tired of waiting people faking fronting like they kin to  
me

When they really enemies

Give a f-ck what it is cause  
This what it gonna be,  
Shady aftermath lately  
GMN baby  
Young n-gga out them projects (?)  
Hospital freda's only baby  
N-ggas biting my style get rabies  
F-ck you pay me  
Eat a cock swallow sh-t  
And plus you aint f-cking with this  
So don't trip ha ha (?)  
What an incredible twist  
I write incredible script  
That fit in with the plot it's endless  
Now testify to this  
Let it bang when you hear, this is classic sh-t
