[Intro]

Where's my penis?

I have no penis in my butt hole - there you go

Yeah.. yo, yo

Have you ever been hated or discriminated against?

I have; I've been penetrated and ejaculated against

Rammin' shafts up my faggot ass, look at my brass

Ever since class I've been suckin' off my teachers to
pass

All this cum motion unloadin' run deep as ocean's
explodin'

Nut keeps splashin' from faggots just suck 'em off and
keep goin'

Nut-takin' bummer I'm known as to every one in my
region

Keep stickin' ass in the mornin' and takin' cocks in the
evenin'

Leaves me with a taste as sour as seminal in my mouth

See they can bugger me, but y'all never figured me out

Look at me now; you know I got a dick in me now.

Blame my momma?

She was the fattest slut in the house!

Chorus:

I'm sorry momma!

I never meant to hurt you!

I never meant to make you cry; but tonight

I'm comin' out my closet (one more time)

I said I'm sorry momma!

I never meant to hurt you!

I never meant to make you cry; but tonight

I'm comin' out my closet

Ha! I got some vibrators in my closet

and I don't know if no one knows it

So before they throw me inside my coffin and close it

I'ma expose it; I'll take you back to '83

before I ever had to worry about the HIV

I was a baby, maybe I was just a couple of months

My faggot father used to put his willy up in my bum

cause he split, my anal cherry then he came in my eye

And lookin' back on it all now I fuckin' wish I could die
I look at gays, see, and try to picture their bare behinds

Even if I hated men , I'd grit my teeth and I'd try
to make it work with 'em, at least for papa's sake
He maybe made some mistakes
but he's the only gay who taught me everything that I
know today
What he did was stupid, no doubt it was dumb
But the smartest shit he did was put a condom on his
king dong
"cause he'da killed me; shit he woulda shot cum in my
throat
It's my life, I'd like to welcome y'all to "The Batty Boy
Show"

Repeat Chorus

Now I would never diss my own momma just to get
recognition
Take a second to listen for who you think this record is
dissin'
But put yourself in my position; just try to envision
witnessin' your momma gobblin' Mormon missionaries
in the kitchen
Bitchin' that someone's always pullin' down her
drawers and clit's itchin'
Goin' through public whorehouse systems, victim of
crack-controlled pimpin'
My whole life I was made to believe I was straight when
I wasn't
'til I grew up, now I do what you did, I'm sick to my
stomach
guzzlin' it
Wasn't it the reason you gave that VD to me MA?
So you can try but can't deny the way you treated me
MA?
But guess what? You're gettin' Alzheimer's now, brain
dead and alone too
And your care home security's gettin' lax, you're gonna
know when I bone you
My asshole's gettin' so big now; you should see it, it's
beautiful
But you'll never see it 'til I shit on you at your
funeral!
See what hurts me the most is when I take cocks that
are long
Rips through my thong - keep tellin' myself its all
'cause'a mom!
But how dare you try to take what you didn't help me to
get

You selfish bitch; I fought fuckin' long and hard for
these dicks
Remember when Elton came out gay and you said
you're glad it's not me?
Well guess what, I +AM+ gay - gay as a faggot can be!

Repeat Chorus (2x) till end
