[Eminem - (Hailie Jade)]

Hahaaaa, Yeah, come on

Come here baby
Bring daddy his oscar (ok)
Were gonna shove it up Ja Rule's ass (hehehe)

[Swifty]

I'm about to get rid of some hoes it's simple
I put the Murder Inc with lead and I'm not talking about
a pencil
Look at what the fuck you dun got into
I see you found your nitch you're just a bitch with a
menstral
Claiming you a murderer and spelt it wrong
You put the "E" before the "D" because that's all you on
You on Pac's dick (bitch) you a replica guy if he were
still alive you would never get by
All you do is cry bitch keep it real life is more than
imitating niggas and eating pills
And what kind of mothafucker ruins 3 deals that
another nigga got you they didn't see
skills
And I ain't playing your a brother getting cheated
And Ja Rule be praying on his cover cause he need it
And you niggas hating shut your mouths
It's just the real niggas ain't buying that shit you put out

[Obie]

Doe Rae Me but we don't sing motherfuckers
So Murda Inc do your thing motherfuckers
You unleashed on a team who expects nothing less then
RnB coming from that regime
Regime is a little extreme neck to neck with soldiers

motherfucking marines
Ja sold his soul to sing we have witnessed teen on the
TV screen chase the dream
Now that you embrace the green don't fuck with the
triple beams
You's a muther fucking actor slash Pac impersonating
rapper
Slash Billy Holiday how it happen?
Artists with repituares saw him in action, Pac's
assasination
Def jam grabbed him, told him reinact him you'll go
platinum
They seen it for sure I know that Afeni Shakur don't
enjoy Jeffrey Atkins
Reinacting her boy saw him click clacking his toy
Match and destroy Shady slash Aftermath in detroit
motherfucker

[Eminem]

Doe Rae Me Fa So La Dee Da
Don't play me cause your washed up, lost your spot
Mama say mama sa Macosaca
Ja quit playing now get off your not Tupac
Doe Rae Me cause we're hot and you're not
Going at me is the only shot you got
Ja quit playing now get off your not Tupac
You can get popped after all that shit you talk

[Kon Artis]

Now we can skip past the mean mugs, get to the slugs
To grievence and the crying and intimate hugs
We don't take you serious nigga you shook,
You're half of a half wieght crook nigga get off X dick
go sing a hook nigga
And you can't replace the late great one and when your
gone you'll only be the late fake
one
Nigga please stick the script before the guns stick to
the clip
And Benzino you ain't shit but a bitch, fucking old ass
ignorant innocent looking senior

citizen

Built up slap you like renisanse sicitive wait a minute
hold on
Is it me or do we look like a banana with braids and
clothes on
A bitch made man now how you gonna connect with
them short ass arms like a Tyranasaurous
Rex
You niggas can scream, holla and curse and go ahead

and respond
Pull that pen and pad up out of your purse

[Proof]

Slim set an impulse to get at the wanktas
He told me to let loose and spit at the ganstas
What up gotti were in this little war you pushed on
Put your ear to the drama for stucky and bush stones
What's wrong? didn't think were strong with real niggas
Roll like a boss in the streets they still feel us
This real witness yall ain't caught the concept
You're talking non sense to walking bomb threats
Contacts were blown by Benzetta in the Source
Threatning at the boss you're gonna see me on your
porch
Now Irv got the nerse to try serve on us
But Detroit niggas curve and they stirs to bust

[Kuniva]

Do I gotta get my nigga bugz, punks like you get beat
up
Stomped unconscience and smacked with the heater
This rap cookie monster gets jabbed in the tonsils
With dicks so much that he should be fixed with a
vagina
Who's behind ya? Caddillac, Pac or that transvestite
that dress like a Lil Kim Fox
Your just like a little wind box when I press tight on the
trigger of this glock
That's right on the little shit you got left to help you eat
You not Pac's songs without laws will help you sleep
You got shot in your video trying to mock pac your
"mock"avelli get your own identity

[Eminem]

Doe Rae Me Fa So La Dee Da
(Don't EVER say my lil girls name in a song again)
Don't play me cause your washed up, lost your spot
Mama say mama sa Macosaca
