Obie, yo I'm sick
Damn, you straight dog?

That's why I ain't got no time
For these games and stupid tricks
All these bitches on my dick
That's how dudes be getting sick
That's how dicks' be getting drips
Falling victim's to this shit
From these bitches on our dicks
Fucking chickens with no ribs
That's why I ain't got no time

Yo, I woke up, fucked up off the liquor I drunk
I hadda bag of the skunk, one and last night's tunk
Pussy residue was on my penis, Denise, from the
cleaners
Fucked me good, you should've seen us
Big booty bitch, switch unbearable
French role styling, body like a stallion
Sizing up the figure, while my shit gettin' bigger
Debating on to fuck her, do I wanna be a nigga

Caressing this bitch, plus I'm checking out them tits
Sipping on that fine shit, I ain't use to buying
I gotta hit it from behind, it's mandatory
Like taking ho's money, but that's another story
For surely your pussy on toast, after we toast
Our clothes fell like bishop and juice
The womb beater, clean pussy eater, inserting my john
In that spot hotter than the hottest block, don't stop

Response I got when I was knocking it
Clocks steading ticking, kinky finger licking
The cannon, seen us at my temple when she moans
I gotta slow down before I cum soon
And work that nigga, like a slave owner
When I dropped off my outfit, she knew I wanted to
bone her
She foaming at the lips, the ones between the hips
Pubic hair's looking like some sour cream dip

Without the nacho, my dick hit the spot though
Pussy tighter than conditions of his black folks
Being a vinyl stretched, the last part of sex
I bust a fat ass nut then I woke up next
Like, what the fuck is going on here?
This bitch evaporated, pussy and all just picked up and
vacated
And now I'm frustrated 'cause my dick was unprotected
And doctor Wesley telling me I ain't really got that shit,
fuck

That's why I ain't got no time
For these games and stupid tricks
All these bitches on my dick
That's how dudes be getting sick
That's how dicks' be getting drips
Falling victim's to this shit
From these bitches on our dicks
Fucking chickens with no ribs
That's why I ain't got no time

Now I don't wanna hit no women when this chicks got it
coming
Someone better get this bitch before she gets kicked in
the stomach
And she's pregnant, but she's egging me on, begging
me to throw her
Off the steps on this porch, my only weapon is force
And I don't wanna resort to violence of any sort
But whys she shoving me for doesn't she love me no
more?
Wasn't she hugging me four minutes ago at the door?

Man I'm this close to going toe to toe with this whore
What would you do if she was telling you she wants a
divorce
She's having another baby in a month and it's yours
And you found it isn't 'cause this bitch has been visiting
Someone else and sucking his dick and kissing you on
the lips
When you get back to Michigan, now the plot has
thickened 'n worse
'Cause you feel like you've been sticking your fucking
dick in a horse

So you're paranoid at every little cold that you get
Ever since they sold you this shit, you've been holding
your dick
So you go to the clinic, sweating every minute you're in
it
Then the doctor comes out looking like Dennis the

menace

And it's obvious to everyone in the lobby, it's AIDS
He ain't even gotta to call in you the office to say it
So you jet back home, 'cause you gone get that ho

When you see her, you're gonna bend her fucking neck
back yo

'Cause you love her, you never would've expect that
blow

Obie told you to scoop, how could she stoop that low?
Jesus, I don't believe this bitch works at the cleaner's
Bringing me home diseases swinging from Obie's
penis

She's so deceiving, shit this ho's a genius, she geed us

That's why I ain't got no time
For these games and stupid tricks
All these bitches on my dick
That's how dudes be getting sick
That's how dicks' be getting drips
Falling victim's to this shit
From these bitches on our dicks
Fucking chickens with no ribs
That's why I ain't got no time

I'm busy, yeah, fuck these bitches
Fuck em all, get money
Ha, shady records
Wow, Obie Trice
Eminem mother fucker
New millennium shit, yeah
Turn this shit off, turn this shit the fuck off
