Yeah, woo, shit  
Aight  
Guess what? I ain't coming in yet  
I'll come in a minute  
Aye yo, this is my love song  
It goes like this

Back when Mark Wahlberg was Marky Mark  
This is how we used to make the party start  
We used to mix Hen' with Bacardi Dark  
And when it kicks in you can hardly talk  
And by the sixth gin you're gonna probably crawl  
And you'll be sick then and you'll probably barf  
And my prediction is you're gonna probably fall  
Either somewhere in the lobby or the hallway wall

And every thing's spinning, you're beginnin' to think  
Women are swimming in pink linen again in the sink  
Then in a couple of minutes that bottle of Guinness is  
finished  
You are now allowed to officially slap bitches  
You have the right to remain violent and start wilin'  
Start a fight with the same guy that was smart eyin' you  
Get in your car, start it and start drivin'  
Over the island and cause a 42 car pile-up

Earth calling, pilot to co-pilot  
Look at the life on this planet, sir, no sign of it  
All I can see is a bunch of smoke flyin'  
And I'm so high that I might die if I go by it  
Let me out of this place, I'm outta place  
I'm in outer space, I've just vanished without a trace  
I'm going to a pretty place now, where the flowers grow  
I'll be back in an hour or so

'Cause every time I go to try to leave  
Somethin' keeps pullin' on my sleeve  
I don't wanna, but I gotta stay  
These drugs really got ahold of me

'Cause every time I try to tell them, "No"  
They won't let me ever let them go

I'm a sucka, all I gotta say  
These drugs really got ahold of me

In third grade, all I used to do  
Was sniff glue through a tube and play rubix cube  
17 years later I'm as rude as Jude  
Scheming on the first chick with the hugest boobs  
I've got no game and every face looks the same  
They got no name so I don't need game to play  
I just say whatever I want to whoever I want  
Whenever I want, wherever I want, however I want

However, I do show some respect to few  
As ecstasy got me standing next to you  
Getting sentimental as fuck spillin' guts to you  
We just met but I think I'm in love with you  
But you're on it too, so you tell me you love me too  
Wake up in the morning like, "Yo, what the fuck we  
do?"

I gotta go bitch, you know I have got stuff to do  
'Cause if I get caught cheatin' then I'm stuck with you

But in the long run these drugs are probably gonna  
Catch up sooner or later but fuck it, I'm on one, so let's  
enjoy  
Let the X destroy your spinal cord so it's not a straight  
line no more  
'Til we walk around looking like some wind-up dolls  
Shit's sticking out of our backs like a dinosaur  
Shit, six hits won't even get me high no more  
So bye for now, I'm gonna try to find some more

'Cause every time I go to try to leave  
Somethin' keeps pullin' on my sleeve  
I don't wanna, but I gotta stay  
These drugs really got ahold of me

'Cause every time I try to tell them, "No"  
They won't let me ever let them go  
I'm a sucka, all I gotta say  
These drugs really got ahold of me

That's the sound of a bottle when it's hollow  
When you swallow it all, wallow and drown in your  
sorrow  
And tomorrow you're probably gonna wanna do it again  
What's a little spinal fluid between you and a friend?  
Screw it  
And what's a little bit of alcohol poisoning? And what's  
a little fight?  
Tomorrow you'll be boys again

It's your life, live it however you wanna  
Marijuana is everywhere, where was you brought up?

It don't matter as long as you get where you're going  
'Cause none of the shit is gonna mean shit where we're  
going  
They tell you to stop, but you just sit there ignoring  
Even though you wake up feeling like shit every  
morning  
But you're young, you've got a lot of drugs to do  
Girls to screw, parties to crash, sucks to be you  
If I could take it all back now, I wouldn't  
I would have did more shit that people said that I  
shouldn't

But I'm all grown up now and upgraded and graduated  
To better drugs and updated  
But I've still got a lot of growing up to do  
I've still got a whole lot of throwing up to spew  
But when it's all said and done I'll be 40  
Before I know it with a 40 on the porch telling stories  
With a bottle of Jack, two grandkids in my lap  
Babysitting for Haley while Haley's out getting  
smashed

'Cause every time I go to try to leave  
Somethin' keeps pullin' on my sleeve  
I don't wanna, but I gotta stay  
These drugs really got ahold of me

'Cause every time I try to tell them, "No"  
They won't let me ever let them go  
I'm a sucka, all I gotta say  
These drugs really got ahold of me

'Cause every time I go to try to leave  
Somethin' keeps pullin' on my sleeve  
I don't wanna, but I gotta stay  
These drugs really got ahold of me

'Cause every time I try to tell them, "No"  
They won't let me ever let them go  
I'm a sucka, all I gotta say  
These drugs really got ahold of me

Drugs really got ahold of me  
They really got ahold of me  
These drugs really got ahold of me  
They really got ahold of me
