[Announcer]

Welcome back, to the stage of history

[Eminem]

Yo.. Slim Shady!

Yo.. I'll fuckin.. I'll..

I'll puke, eat it, and freak you (eww)

Battle? I'm too weeded to speak to

The only key that I see to defeat you

would be for me to remove these two Adidas and beat
you

and force feed you 'em both, and on each feet is a
cleat shoe

I'll lift you off your feet so fast with a roundhouse

you'll think I pulled the fuckin ground out from

underneath you

(Bitch!) I ain't no fuckin G, I'm a cannibal

I ain't tryin to shoot you,

I'm tryin to chop you into pieces and eat you

Wrap you in rope and plastic, stab you with broken
glass

and have you with open gashes strapped to a soakin
mattress

Coke and acid, black magic, cloaks and daggers

(ahhh!)

Fuck the planet, until it spins on a broken axis

I'm so bananas I'm showin up to your open casket

to fill it full of explosive gasses

and close it back with a lit match in it

while I sit back and just hope it catches

Blow you to fragments

Laugh, roll you and smoke the ashes

[Chorus: J-Black (repeat 2X)]

I see the light at the end

But every time I take a step, it gets dim

Tell me is this hell we're livin in?

If so, heaven's got to be better

But if we're hellbound, whatever, let's go down

[J-Black]

Am I the worst? Because I, never go to church (never)
I run a red light then sideswipe a hearse
I'ma drink 'til my liver rot, see the doc
Leave the E.R., then hit a bar for a liquor shot, 'til the
liver spot
One day we all gon' die
But when I die, I'ma be so high
that I'ma get up and walk, leavin the concrete bare
with the chalk outline still there-ac
