Two trailer park girls go round the outside  
Round the outside, round the outside  
Two trailer park girls go round the outside  
Round the outside, round the outside

Guess who's back, back again  
Shady's back, tell a friend  
Guess who's back, guess who's back  
Guess who's back, guess who's back  
Guess who's back, guess who's back, guess who's  
back

I've created a monster  
'Cause nobody wants to see Marshall no more  
They want Shady, I'm chopped liver  
Well, if you want Shady, this is what I'll give ya

A little bit of weed mixed with some hard liquor  
Some Vodka to jump start my heart quicker  
Than the shocks when I get shocked at the hospital  
When the doctor when I'm not co-operating

When I'm rockin' the table while he's operating  
You waited this long, now stop debating  
'Cause I'm back, I'm on the rag and ovulating

I know that you got a job Ms. Cheney  
But your husband's heart problem's complicating  
So the FCC won't let me be or let me be me  
So let me see

They try to shut me down on MTV  
But it feels so empty without me  
So come on and dip, bum on your lips  
Fuck that, cum on your lips and some on your tits

And get ready 'cause this shit's about to get heavy  
I just settled all my lawsuits, fuck you Debbie

Now this looks like a job for me  
So everybody, just follow me  
'Cause we need a little controversy

'Cause it feels so empty without me

I said this looks like a job for me  
So everybody, just follow me  
'Cause we need a little controversy  
'Cause it feels so empty without me

Little Hallions, kids feelin' rebellious  
Embarrassed their parents still listen to Elvis  
They start feelin' like prisoners helpless  
'Til someone comes along on a mission and yells,  
"Bitch"

A visionary, vision of scary  
Could start a revolution, pollutin' the airwaves  
A rebel, so just let me revel and bask  
In the fact that I got everyone kissin' my ass

And it's a disaster, such a catastrophe  
For you can see so damn much of my ass, you asked  
for me?  
Well, I'm back, na na na na na na na na na na  
Fix your damn antenna, tune it in and then I'm gonna  
Enter in under your skin like a splinter

The center of attention, back for the winter  
I'm interesting, the best thing since wrestling  
Investing in your kid's ears a nest egg

Testing, attention please  
Feel the tension, soon as someone mentions me  
Here's my ten cents, my two cents is free  
A nuisance, who sent? You sent for me?

Now this looks like a job for me  
So everybody, just follow me  
'Cause we need a little controversy  
'Cause it feels so empty without me

I said this looks like a job for me  
So everybody, just follow me  
'Cause we need a little controversy  
'Cause it feels so empty without me

A-tisket, a-tasket, I go tit for tat with  
Anybody who's talkin' this shit, that shit  
Chris Kirkpatrick, you can get your ass kicked  
Worse than those little Limp Bizkit bastards

And Moby? You can get stomped by Obie  
You thirty-six year old boy fag, blow me

You don't know me, you're too old, let go  
It's over, nobody listens to techno

Now let's go, just gimme the signal  
I'll be there with a whole list full of new insults  
I been dope, suspenseful with a pencil  
Ever since Prince turned himself into a symbol

But sometimes the shit just seems  
Everybody only wants to discuss me  
So this must mean I'm disgusting  
But it's just me, I'm just obscene

And though I'm not the first king of controversy  
I am the worst thing since Elvis Presley  
Do black music so selfishly  
And used it to get myself wealthy

Here's a concept that works  
Twenty million other white rappers emerge  
But no matter how many fish in the sea  
It'll be so empty without me

Now this looks like a job for me  
So everybody, just follow me  
'Cause we need a little controversy  
'Cause it feels so empty without me

I said this looks like a job for me  
So everybody, just follow me  
'Cause we need a little controversy  
'Cause it feels so empty without me, kids
