Yo it all started later
With the punk alligator
And Hailey was staring at me like an underappreciater
Like i didn't give a **** about what i had
And knew nothin about rap or gettin mad
Until i met LP, 50 and everone else
Went to the tour and then found kelp
Playin at the football places
McNabb and people with braces
At the stadiums open crowds
Birds in the sky, destroyin the mounds
Hope we sell out, dont want no ****
I don't want to **** to get nuttin out of it

It Is The Eyeing Tour
This Is Where You Get More
This Is The Eyeing Tour
Don't Deny It Or Get Your Neck Sore

Yo, yo, yo,
Get yo *** up!
Yo, yo, yo,
Get yo *** up!
Went to the Encore
With J to the Z
Everyone staring and talkin **** about me
I don't want to **** when i have a fast buck
Don't tell me my tracks suck
Cuz you cant do better (so)
yo, yo, yo,
Get yo *** up!
yo, yo, yo,
Get yo *** up!

It Is The Eyeing Tour
This Is Where You Get More
This Is The Eyeing Tour
Don't Deny It Or Get Your Neck Sore

Here we start at the football place
Don't diss me or your the disgrace

Somtin wrong, somtin out of place
Hailey tells me that i've lost the race!
Am i too late?
Have i reached the gate?
Where i retire or die
I can't be late!
This won't be my last tour
But just to make sure
Come around or get yo neck sour
Woo! Woo! Woo! Woo!
yo, yo, yo,
Get you *** up!
yo, yo, yo,
Get you *** up!
yo, yo, yo,
Get you *** up!
yo, yo, yo,
Get yo *** blump!
Get ready for the stump!
I don't want to go plump!
(plump, plump, plump)

Yo, Eyeing Tour
Do You Want More?
Yo, Eyeing Tour
Do You Want More?

Get yo ***** *** up!
