\*Basement Recording that Eminem and his friend did in the late 80's\*

(Friend of Eminem)

"Yo man.. Yo Marsh man, You've been kickin' all this shit about yourself, what about the homies man?"

(Eminem)

"Ai, you want one about the posse, Aight"

Oh foolish pride, oh, oh, oh, oh foolish pride  
Oh, oh, ph, ohh Foolish pride, oh, oh, oh, oh foolish  
pride

Well foolish pride has alot of things to say  
You got foolish pride, you got tooth decay  
But tooth decay is another problem  
So let's take this old foolish pride and solve it  
Now, when I talk about foolish pride  
I mean blacks & whites taking different sides  
When blacks and whites take different sides  
Unity never happens, and we will subside  
We will subside and hatred will release  
And everything will just crush that peace  
Well, when we crush that peace, we start hatin' each  
other  
But remember, you are my brother, and you are my  
sister  
Just like I'm a mister  
I seen a black girlfriend and I kissed her  
I kissed her ; I placed it on her cheek  
And she didn't come back til next week

Now it was next week and she was back again  
Wanting to kiss a white kid  
So she was my girlfriend, we started going out  
But that's okay because we were Black and white  
Blacks and whites they sometimes mix  
But Black girls only want your money cause they're  
dumb chicks  
So I'ma say like this

Don't date a Black girl, take it as a diss  
If you want, but if you don't  
I'ma tell you like this, I surely won't  
Never date a Black girl because Blacks only want your  
money  
And that shit aint funny

So I'ma say look honey  
Why do you do this?  
You know, you step up to me like you a Brutus  
Then you try to grab my spinach  
Because its green and that's cash  
So get outta here, 'cause I don't need your ass  
I said that before, but that's okay because like I said  
you're a whore  
Black girls and white girls just don't mix  
Because Black girls are dumb and white girls are good  
chicks  
White girls are good ; I like white girls  
I like white girls all over the world  
White girls are fine and they blow my mind  
And that's why I'm here now telling you this rhyme  
'Cause Black girls, I really don't like  
We don't mix, it's like riding a bike  
When you're peddling hard, uphill both ways  
You know it's kinda hard and that's why I say to you  
I'm giving you a little advice  
Don't date a Black girl, if you do it once you won't do it  
twice  
You won't ever do it again because they'll take your  
money  
And that aint funny  
So I'ma say look honey  
I thought I said that before  
But like I said again you're nothing but a big whore  
So when mike catch on the bass line  
That's okay 'cause we will not just waste time

I'll get straight to the point  
Black girls are bitches, that's why I'ma tell ya you better  
pull up your britches  
'Cause all that cash is making your ass drag  
From the boyfriend ya ganked and that's pretty bad  
I mean that's pretty sad when ya dating a Black guy  
And then you turn around and fuck another big, Black  
guy  
Now that's pretty wrong, but you're just ganking  
But that's okay because you need a goddamn spanking  
From me, the funky Eminem  
I'm busting rhymes and I'm swallowing phlegm  
I'm busting a freestyle just like this

I say swallowing phlegm and Howard gets pissed  
But when Howard gets pissed that's okay  
Because he leaves and he doesn't show up for two  
more days  
So I'll just worry about that problem when I come to it  
I cross that bridge when I come to it

Because, I forgot the chorus  
But that's okay 'cause y'all saying bust a rhyme for us  
So I'ma bust another rhyme about this Black girl  
She turned out to be a fuckin' wack girl  
A wack girl, because Black girls ain't funny  
All they want is your godamn money  
They take you for everything you got  
And then you stand with a bunch of snot in your hand  
So I'ma kick it to you just like this  
How does the chorus go, I forgot  
But that's okay, 'cause I'ma tell you in stride  
I'ma say oh foolish pride

Oh foolish pride, oh, oh, oh, oh foolish pride  
Oh, oh, oh, oh foolish pride, oh, oh, oh, oh foolish pride  
Oh, oh, oh, oh foolish pride, oh, oh, oh, oh foolish pride  
Oh, oh, oh, oh foolish pride, oh, oh, oh  
Date a white girl, 'cause they got the raw hide
