Let me tell your first
when im done freestylin youll need a fuckin hurst
Im white yeah im kinda like slim shady
And looking at you,ur probably hung like a baby.
I pissed you off with that one liner
but im sure ill do it again like a big tymer.
OK right now im gonna let you flow
and when im tired of hearin your shit ill let you know.

Its my turn and im gonna drop a bomb
blow you up like a fucking Vietcong.
Im sick with the rhymes ive just said
dont mind my face its a little red.
Cuz im embarrassed to be up here its true
Its not cuz im scared its cuz im battling someone like
you.
I mean jesus your rhymes aint even witty
and every one here knows your lyrics are shitty
but its ok cuz your tryin your best
and if you have a girlfriend im sure her backs like her
chest
in other words you be fucking a guy
and dont tell me the excuse, its cuz I was high
its cuz your like at the other fags who think their cool
but infact your really enjoy pushing it stool!

Im done ok I cant think of any thing else to say
im at lost for words cuz my rhymes might be soundin
gay
but then again we listened to your rhymes so I guess it
would be ok.
Ill finish your off with a one liner and then im done.
this is the rhyme that with solididfy that I won.
I listened to every rhyme youve said
and it was all mumble jumble like your were giving
some head.
Now remember im white so I dont belong in the rap
game
but id be there before you cuz your lyrics where fuck in
lame!!!
