ur just gona go bak to the sex from daddy
i dont know how people in this world could be gay
i have nothin against u people its just how can u put a
dick up ur arse everyday
u people tryin to rap like eminem
fobs at my school cant even afford a black pen
but they like the fucking men
ur dad is probley havin sex with him know
and ur mum is gettin licked out by a fuckin cow
enough of the family jokes
we all know that david beckem likes blokes

mate doesnt victoria give u enough
nah she is too lose and wants it up the bum
but now she is in toys and stuff
i got sick of her so i go for her our sons
OK right now im gonna let you flow
and when im tired of hearin your shit ill let you know.
