You really dont know me  
I feel iscloated around you  
You make feel strange and embarassed  
Dont wanna do a duet on the karaoke  
I think i want to go solo

Going Solo Solo Solo  
dont need you anymore  
Ill manage thank you  
without you making me look like a fool  
I wanna go Solo Solo Solo.... Solo

Think You can mess with my mind  
But im smarter than that  
Cant you read my facial expressions  
Dont wanna do a duet on the karaoke  
I think i want to go solo

Going Solo Solo Solo  
dont need you anymore  
Ill manage thank you  
without you making me look like a fool  
I wanna go Solo Solo Solo.... Solo

Nothing can stop me  
I feel like the brightest thing around  
Nothing will make me be with you  
Dont wanna do a duet on the karaoke

I think i want to go solo

Going Solo Solo Solo  
dont need you anymore  
Ill manage thank you  
without you making me look like a fool  
I wanna go Solo Solo Solo.... Solo

Going Solo Solo Solo  
dont need you anymore  
Ill manage thank you  
without you making me look like a fool  
I wanna go Solo Solo Solo.... Solo

Nothing can stop me from being here  
In this position of being solo  
And not doing a duet on the next karaoke  
I think im good at...

Going Solo Solo Solo  
dont need you anymore  
Ill manage thank you  
without you making me look like a fool  
I wanna go Solo Solo Solo.... Solo
