Intro:

Meet Eddie 23 years old fed up with life and the way things are going he decides to rob a liquor store but on his way in he has a sudden change of heart and suddenly his conscience comes into play

Dre: alright stop now before you walk in the door of this liquor store tryin' to get money out the drawer ya better think of the consequence  
(who are you?) I'm ya mothafuckin' conscience

em:that's nonsense go in gather the money and run to one of your aunts cribs  
and borrow a damn dress in front of a blonde wig  
tell her you need a place to stay you'll be safe for days  
if you shave your legs  
with Renee's razor blades

Dre yeah but if it all goes through like it's supposed to the whole neighborhood knows you and they'll expose you  
think about it before you walk in the door first look at the store clerk  
she's older than George Burns

Em: fuck that! do that shit! shoot that bitch!  
can you afford to blow this shit? are you that rich?  
why you give a fuck if she dies? are you that bitch?  
do you really think she gives a fuck if you have kids?

Dre: man don't do it it's not not worth it to risk it  
not over this shit drop the biscuit(I will)  
don't even listen to Slim yo he's bad for you

Em: you know what Dre, I don't like your attitude
