[2Pac]

Get on yo knees nigga, get on yo knees and pray

[radio tuning in]

[Ja Rule]

Em, you claim ya mother's a crackhead and kim is a known slut so what's Hailie gon' be when she grows up?

[Em & Hailie]

[E] AH-HA! Yeah! C'mon!

G-g-g-g G-Unit! Hailie

[H] What?

[E] Come here baby, bring daddy his Oscar

[H] Okay

[E] We're gonna shove it up Ja Rule's ass!

[H - laughs]

[Vesre 1]

[Swift]

I'm about to get rid of some hoes, it's simple

I'm quick to murder ink with lead and i aint talkin' bout a pencil

Lookit what the fuck you done got into

I see you found yo niche, you just a bitch wit a menstrol

Claimin' you a murderer and you spelled it wrong

You put 'e' before the 'd' 'cause that's all you on

You on Pac's dick, you a replica guy

If Pac was still alive you would never get by

All you do is cry, bitch keep it real

Life is more than imitating niggaz and eatin' pills

And kind of muthafucka ruins three deals

That another nigga got you, they didn't see skills

And I ain't playin', you a brother gettin' cheated

And Ja Rule be prayin' on his cover 'cause he need it

And all you niggaz hatin', shut you mouths

It's just that real niggaz ain't buyin' that shit y'all put out

[Obie Trice]

Do-ra-mi, but we don't sing muhfuckas

So Murder Inc. do ya thing muhfuckas

You've unleashed on a team who expects nothin' less

Than R&B comin' from that regime

Regime its a little extreme
Neck and necks with soldiers, muhfuckin' Marines
Ja sold his soul to sing
Weave eye-witness team on the tv screen, chase the
greed
Now that you've embraced the green
Don't fuck with them triple beams
You's a muthafuckin actor slash Pac impersonatin'
rapper
Slash Billie Holliday how it happen?
Artist for Repetuar saw him in action
Pac assassination Def Jam grabbed him
Told him reinact him, you go platinum
They seen it for sure, I know that Afina Shakur
Don't enjoy Jeffery Atkins reinactin' her boy
So I'm click-clackin' this toy
Mash and destroy, Shady slash
Aftermath and Detroit muthafuckas

[Chorus]

[Eminem]

Do-ra-me, fa-so-la-ti-da
Don't blame me 'cause you lost your boss's spot
Mama-say-mama-sa-ma-macosa
Ja quit playin' knock it off you're not 2Pac
Don't make me, too hot and you're not
Shootin' at me, with the only shot you got
Ja quit playin' knock it off you're not 2Pac
You'll get popped poppin' all that shit you pop

[Verse 2]

[Kuniva]

Now we can get past the mean mugs and get to the
slugs
To the greivance and the cryin' and the intimate hugs
We don't take you serious nigga you shook you half of
a half-way crook, get off X dick, go sing a hook nigga
And you can't replace the late great one

And when you gone you only gon' be the late fake one
Nigga please, stick to the script
before the guns stick to the clip, and Benzino you ain't
shit but a bitch
Fuckin' old ass ignorant innocent lookin' senior citizen
Built up, slap you like Grimace, all sensitive
Wait a minute, hold on
Is it me or do he look like a banana with braids and
clothes on?
A bitch made man, now how you gonna connect with
them short ass arms like a tyrannasaurus rex?
You niggaz can scream, holler and curse

Go ahead and respond and pull that pen and pad up
outta ya purse

[Proof]

Slim did it simple to get at the wankstas
He told me to let loose and spit at the gangstas
What up Gotti and this little war you pushed on
Put your ear to the ground for stucky and bush stones
What's wrong? Didn't think we strong with real niggaz?
Roll like a boss in the streets they still feel us
It's real business you ain't caught the concept
You talkin' nonsense to walk and find press
Contact was blown by Munsetta in The Source
Threaten at the boss you gon' see me on ya porch
Now Irv got the nerve to try to serve on us
But Detroit niggaz servin and ain't scurred to bust

[Kon Artis]

Word to my nigga Bugs, punks like you get beat up
Stomped unconcious and smacked with the heater
This rap cookie monster gets jabbed in the tonsils with
dicks so much that he should be fixed with a vagina
Who's behind ya? Cadillic Pac or that transvestite who
dress like a Lil Kim fox, her chest like a little windbox
press tight on the trigger of this glock
Swallow that little shit you got left to help you eat
You knock Pac's songs without love to help you sleep
You got shot in your video tryin mock Pac
You 'Mockaveli', get your own identity

[Chorus]

[Eminem overdubs chorus]

Yeah!

Don't you never say my little girl's name in a song
again!

Fuckin' punk pussy little bitch!

I'll fuck you up boy!

Never! Never in your muthafuckin life!

I'll choke the shit outchu little muthafuckin bitch!

Hailie can whip your muthafuckin ass!

[Obie Trice speaking]

[50 Cent (laughing)]

[Hailie]

[Eminem]
