[Eminem](Chorus)

Cause I can be calm, I can be cool,
I can be rude, I can do whatever you want me to do
Whatever you want me to be, I can be it,
Whatever side you want me to show you, just let me
know
and I'll let you see it, I got a college degree at being
the prick if you push me, won't hesitate to stick my
dick in you pussies
So however you want it, you got it, you can get it
Anywhere you like it whichever way you prefer it, cause
we servin it.
However you want it, Bitch.

[Helleva - Verse 1]

However, whoever, anytime, whenever, whatever Im
coming with 9's or betta

[Helleva - Verse 2]

I'm king kong, I got "I ain't never scared" on my
ringtone, thats my theme song
44 with the beam on, if my niggas got drama Im that
shoulder to lean on.
Helleva coming thru with that soldier fatigue on at they
door like DING DONG
show em the beef on and once its on, there no fixing it,
my killas do this shit
for fun, I cant tell em "Dont get in it" dont run up on ya
whip, put a whole clip in it
I tell em I owe him one, he'll tell me "dont mention it."
You scared to come out, thats alright
we gon take shifts and shoot up your house all night.
Pop four about yo bushes an unload on yo ass
leave you layin on the street with a hole in yo ass buss
a few a come back an run over yo ass
if you think a nigga looney you just dont know the half.

[Eminem](Chorus)

Cause I can be calm, I can be cool,
I can be rude, I can do whatever you want me to do
Whatever you want me to be, I can be it,
Whatever side you want me to show you, just let me

[Helleva - Verse 3]

Anytime you ready, I could while out or I could be calm

tuck under the leather, extended clip, make it seem
like im bussin foreva. When an got me 3 bananas
and I stuck em together. Leave a muhfucka sick like he
under the weather, niggas be like my man sweet

you cant beat him at rappin, they be like you wrong as
hell, when I see him I'll slap him
To be honest I aint into all that battle rap shit, I got
something on my hip

make you acro-bat-ic
tell a joke an ask a nigga what you laughin at bitch? He
ain't know he could get clapped
for that shit go to jail an tell a judge that nigga asked
for that shit.

[Eminem](Chorus)

Cause I can be calm, I can be cool,
I can be rude, I can do whatever you want me to do
Whatever you want me to be, I can be it,
Whatever side you want me to show you, just let me
know
and I'll let you see it, I got a college degree at being
the prick if you push me, won't hesitate to stick my

So however you want it, you got it, you can get it
Anywhere you like it whichever way you prefer it, cause

However you want it, Bitch.

Whatever you want me to be, I can be it
Whatever side you want me to show, you just let me

Whichever way you prefer it, cause we servin it
However you want it, Bitch
