(Eminem talking)

Still love me? Take this. (Gun clip clicks)

You ready? 1...2...3 (two gun shots)

(Chorus 1)

'Cause the more you put me through  
The more it makes me wanna come back to you  
You say you hate me, I just love you more  
You don't want me, I just want you more  
I buy you flowers, you throw 'em at me  
I know it's sad but it's makin' me happy  
The more that you slap me, the more that it turns me  
on  
'Cause you love me, and I love you more

(Verse 1)

It's sick, but who could ever predict  
We'd be doin' the same shit  
We say we do it for our baby, but we don't  
We do it for us, it's lust  
'Cause neither one of us trusts  
Each other, so we fuck till we bust  
And we cuss each other out, we know what it's about  
Shout till I throw you out the house  
You throw me out the house, I throw you on the couch  
Punch you in the mouth, fist fight till we turn this  
mother out  
And apologize after, laughter, pain  
It's insane, we back in the same chapter again  
And it's sad, but it's true, when I'm layin' here with you  
There ain't nothin' anyone could ever say, ever do

(Chorus 1)

'Cause the more you put me through  
The more it makes me wanna come back to you  
You say you hate me, I just love you more  
You don't want me, I just want you more  
I buy you flowers, you throw 'em at me  
I know it's sad but it's makin' me happy  
The more that you slap me, the more that it turns me  
on

'Cause you love me, and I love you more

(Verse 2)

'Cause I hate you, do you hate me?

Good, 'cause you're so fuckin' beautiful when you're angry

It makes me, wanna just take you and just throw you

On the bed and fuck you like I don't even know you

You fuck other people, and I fuck other people

You a slut, but I'm equal, I'm a mutt, we're both evil

In our ways, but neither one of us would ever admit it

'Cause one of us would have one up on the other so forget it

We can make acquisitions, people spread rumors

But they ain't got proof, till they do it's just the two of us

It's just you and me, 'cause any chick can say that she's screwin' me

But you gotta believe me to a degree, 'cause true indeed

If you eatin', I wouldn't be hittin...yeah, I would

'Cause the sex is just too damn good

If I ran, who would I run to that would be this soft and warm?

So it's off and on, usually more off than on

But at least we know we share this common bond

You're the only one I could fuck without a condom on

I hope the only reason that I cope is 'cause of that fact

And plus, I can bust in that

And thats why

(Chorus 1)

The more you put me through

The more it makes me wanna come back to you

You say you hate me, I just love you more

You don't want me, I just want you more

I buy you flowers, you throw 'em at me

I know it's sad but it's makin' me happy

The more that you slap me, the more that it turns me on

'Cause you love me, and I love you more

(Verse 3)

I could never understand it, that's why I don't try

From junior high until we both die, it's silly, oh why

Must we try? Is it really so rough

That we must always call each other's Billy Goat's Gruff?

Try to pull each other's legs until the other begs

We lyin' to ourselves, that's the beauty of it, yeah

We truly love each other, that's why we always fight

All we do is shove each other every other fuckin' night

And it's clear it ain't gonna change, this pent up rage  
We both have, we both feel like we've been upstaged  
By someone else we've both been, someone else  
Is someone else, the problem is neither one wants help  
It's an addiction, and it can't be fixed, our family's  
mixed-  
Up, there's a baby sister in the mix  
And it hurts 'cause the pieces to the puzzle don't fit  
And anybody who thinks they know us doesn't know  
shit  
All they're probably just tired of hearin' it all the time  
On every song, every lyric and every rhyme  
All the hoopla, all of the woop-de-woo  
What you put me through, fuckin' woop-de-doo  
But I won't be made a fool of, if this is true love  
You wouldn't do what you did last time, you wouldn't  
screw up  
This time, 'cause this time, girl, I'm tellin you what  
You do it again, I'm fuckin' you up

(Chorus 2)

No matter what you say, what you do  
I'ma hunt you down till I find you  
No matter where you go, I'll be right there  
Right behind you in your nightmares  
Since I bought you the flowers and the candy  
All the times that you threw it back at me  
Told me you hate me, you gon' hate me more  
When you find out you can't escape me whore

(Chorus 1)

'Cause the more you put me through  
The more it makes me wanna come back to you  
You say you hate me, I just love you more  
You don't want me, I just want you more  
I buy you flowers, throw 'em at me  
I know it's sad but it's makin' me happy  
The more that you slap me, the more that it turns me  
on  
'Cause you love me, and I love you more
