I love you mamma
I really miss you now,
but tonight Im on a big tour

mamma you gotta come with me
gotta see what its like
you gotta meet the lable
see what its all about

Its Dallas today
who knows were tomorrow
I gotta write
but I dont have any time
I want you with me mamma

mamma you gotta come with me
gotta see what its like
you gotta meet the lable
see what its all about

I love you mamma
you gotta come with me
you gotta see what its like
this is so gay!
(this is not by eminem it is by me his twin sister Alema)
