[Eminem Intro from "Cleanin out my closet"]

Where's my snares
i have no snares headphones in my ears
there ya go
yo yo

[CHORUS : Akon, Bone thugs]

I tried so hard can't seems gettin away from misery
man I tried so hard
always be victim of these streets
and ain't my fault cuz i
tryin to get away but trouble follows me
and still i try so hard
hopin one day come and rescue me but until then
i'll be posted up right here
rain sleet hail snow
but until then
i'll be posted up right here with my heat get dough

[2nd VERSE from "Love me" : EMINEM]

There's a certain mystique when I speak,
that you notice that's sorta unique,
cause you know it's me, my poetry's deep,
and I'm still matic the way I flow to this beat,
you can't sit still, it's like tryin to smoke crack
and go to sleep, I'm strapped,
just knowing any minute I could snap,
I'm the equivalent of what would happen if Bush
rapped,
I bully these rappers so bad lyrically,
it ain't even funny, I ain't even hungry,
it ain't even money, you can't pay me enough
for you to play me, it's cockamamie,
you just ain't zaney enough to rock with Shady,
my noodle is cock-a-doodle, my clocks cuckoo,
I got screws loose, yeahhh, the whole kit an' kaboodle,
I'm just brutal. It's no rumour, I'm numero uno, assume
it,
there's no humour in it no more, you know
I'm rollin with a swollen bowling ball in my bag,

you need a fag to come and tear a new hole in my ass
you better love me... bitch

[CHORUS : Akon, Bone thugs]

I tried so hard can't seems gettin away from misery
man I tried so hard
always be victim of these streets
and ain't my fault cuz i
tryin to get away but trouble follows me
and still i try so hard
hopin one day come and rescue me but until then
i'll be posted up right here
rain sleet hail snow
but until then
i'll be posted up right here with my heat get dough

[2nd VERSE from "Lose Yourself" : EMINEM]

The soul's escaping, through this hole that it's gaping
This world is mine for the taking
Make me king, as we move toward a, new world order
A normal life is boring, but superstardom's close to
post mortem
It only grows harder, only grows hotter
He blows us all over these hoes is all on him
Coast to coast shows, he's know as the globetrotter
Lonely roads, God only knows
He's grown farther from home, he's no father
He goes home and barely knows his own daughter
But hold your nose cause here goes the cold water
His hoes don't want him no mo, he's cold product
They moved on to the next schmoe who flows
He nose dove and sold nada
So the soap opera is told and unfolds
I suppose it's old partner', but the beat goes on
Da da dum da dum da da

[CHORUS : Akon, Bone thugs]

I tried so hard can't seems gettin away from misery
man I tried so hard
always be victim of these streets
and ain't my fault cuz i
tryin to get away but trouble follows me
and still i try so hard
hopin one day come and rescue me but until then
i'll be posted up right here
rain sleet hail snow
but until then
i'll be posted up right here with my heat get dough

[1st VERSE from "Like Toy Soldiers" : EMINEM]

I'm supposed to be the soldier who never blows his
composure
Even though I hold the weight of the whole world on my
shoulders
I ain't never supposed to show it, my crew ain't
supposed to know it
Even if it means goin' toe to toe with a Benzino it don't
matter
I'd never drag them in battles that I can handle unless I
absolutely have to
I'm supposed to set an example
I need to be the leader, my crew looks for me to guide
'em
If some shit ever does pop off, I'm supposed to be
beside 'em
That Ja shit I tried to squash it, it was too late to stop it
There's a certain line you just don't cross and he
crossed it
I heard him say Hailie's name on a song and I just lost
it
It was crazy, this shit went way beyond some Jay-z and
Nas shit
And even though the battle was won, I feel like we lost
it
I spent too much energy on it, honestly I'm exhausted
And I'm so caught in it I almost feel I'm the one who
caused it
This ain't what I'm in hip-hop for, it's not why I got in it
That was never my object for someone to get killed
Why would I wanna destroy something I help build
It wasn't my intentions, my intentions was good
I went through my whole career without ever mentionin'
Suge
And that was just out of respect for not runnin' my
mouth
And talkin' about something that I knew nothing about
Plus Dre told me stay out, this just wasn't my beef
So I did, I just fell back, watched and gritted my teeth
While he's all over t.v. down talkin' a man who literally
saved my life
Like fuck it i understand this is business
And this shit just isn't none of my business
But still knowin' this shit could pop off at any minute
cause

[CHORUS : Akon, Bone thugs]

I tried so hard can't seems gettin away from misery

man I tried so hard
always be victim of these streets
and ain't my fault cuz i
tryin to get away but trouble follows me
and still i try so hard
hopin one day come and rescue me but until then
i'll be posted up right here
rain sleet hail snow
but until then
I'll be posted up right here with my heat get dough
