[LYRICS]

Damn it, Feels good to be back, Im having a relapse

[VERSE]

How the hell did he manage to get more felony charges

hes already got life in jail man what the hell is his problem

well to be honest, the smell of these chronic leafs make me hella demonic

they compelled me to kill this elderly man

and I get these panic attacks,

pop a xanax relapse

tryin to stick my fuckin dick inside a mannequins ass

then I get manic depressed

see the orthodontist get gas masked

man its kick ass

the first thing I put on is the mask

speakin of masks

man it aint to late to have a change of pace

and take it off and show my face

so you can see the things you facin

slice you up and cook you after you murder my

strangulation

thats bacon soufflÃ© you makin aint you but thank you

jason

there goes one more coma

through the blood force trauma

just give me one more soma

and Ill be done for Omama

go in the damn broom closet

another valium lost it

shovin the vacuum nozzle

down the bathroom faucet

it seems like everyday I get a little flakier

[I'm Having A Relapse Lyrics Dapslyrics.com]

the medication is making my hands a little shakier

hand me that 18 month old baby to shake him up

itll only take me a

second to choke his trachea

breakin his neck in 80 some places

baby here shady comes lady

hes got the razor for blazin the chchchchay ainsaw
baby

here I come come you hear the rumblin rum rum
there something inside the blue talkin that drum drum
my head and torso someone whered it come from
whose it belong to maybe the girl with the long blonde
hair
who disappeared and left the cheer leader pom poms
clearly there something wrong cause she didnt come
home

I guess he stuck the bitch with the pitch fork with the
long prongs
now everybody get your dance on to my dance song
