Intro:

Let's get down to business

I don't got no time to play around what is this... what is this...

The Invasion! yeah yeah Green Lantern! The infiltration! We're comin'!

Yeah!

I got 50 Cent, I got G-unit, D-twizzy in this bitch, wit' obie trice

So watch what you say, 'fore you call our name, 'cause you say one more thing, it won't be nice

Here we go,

I shoulda known

I was bound to get pulled

into some bullshit

sooner or later

you litte haters

are too jealous of us to love us

you hate it,

G-unit made it,

then Obie's coming,

D-twizzy's comin, ya sick to

ya stomach

50 percent of it's 50 Cent,

the other 50 percent of it's whose color of skin it is

But if you even considerin' takin' our label down,

you better find our building

and fly a fuckin plane into it

But I ain't tryin to get to intricate into it,

I'm just tryin to give you a little hint for your own benefit

'cause then it's gonna get to the point

where it escalates into some other shit,

then I'm a flip

then I'm a get to

stompin' in my Air Force once,

won't be able to tell if its two purrs or it's one

'cause it's gone feel like so many feet kickin you,

you think Nike just made these cleats into shoes

I don't know what it is or what it could be,

but I get a woody,  
when these pussies try to push me  
thinkin they gone put me in a position to pickle me  
yall tickle me pink,  
I think I'd just rather have pink tickle me  
Hickory dickory dock tickety tock tickety,  
a little bit of the diggety doc  
diggety mixed with a little bit of the jigga j-jigga  
what a small pinch,  
biggy look at me,  
I'm just a bomb diggety

(Chorus)

We the realest lable, we'll try to act like you don't feel  
our lable  
'cause we gone fuck around and kill your lable! Obie,  
D-twizzy, G-unit, 50, Shady  
records we the lable for sho!  
We the realest lable, we'll try to act like you don't feel  
our lable  
'cause we gone fuck around and steal your paper!  
Obie, D-twizzy, G-unit, 50, we're  
gone kill your fuckin lable for sho!

(Bridge)

Shady in the place to BC, 'cause I got what it takes to  
rock tha mic RIGHT!  
still watch what you say to me ho cause im off  
probation in less than 6 MONTHS!

(Outro)

ha ha, whooo, Shady records, still Aftermath, and don't  
think we don't hear you  
muthafuckas talkin, 'cause we do, we see y'all, but we  
just gone sit back for a minute  
and see what the fuck y'all do!
