[Bruno Mars]

This was for you and me,
living out our dreams
We are right where we should be
With my arms out wide, I open my eyes
And now all I wanna see
Is a sky full of lighters
A sky full of lighters

[Eminem]

By the time you hear this I will have already spiralled up
I would never do nothing to let you cowards fuck my
world up
If I was you, I would duck, or get struck like lightening,
Fighters keep fighting, put your lighters up, point em'
skyward uh
Had a dream I was king, I woke up, still kingâ€¦
This rap game's nipple is mine for the milking,
Till nobody else even fucking feels me, till' it kills me
I swear to god I'll be the fucking illest in this music
There is or there ever will be, disagree?
Feel free, but from now on I'm refusing to ever give up
The only thing I ever gave up is using. No more
excuses.
Excuse me if my head is too big for this building
And pardon me if I'm a cocky prick but you cocks are
slick
Poppin shit on how you flipped ya life around, crock-of-
shit
Who you dicks try to kid, flipped dick, you did the
opposite
You stayed the same, cause cock backwards is still
cock you pricks
I love it when I tell em shove it
Cause it wasn't that long ago when Marshall sat, luster
lacked, flustered
Cuz he couldn't cut mustard, muster up nothing
Brain fuzzy, cause he's buzzin', woke up from that buzz
Now you wonder why he does it, how he does it
Wasn't cause he had buzzards circle around his head
Waiting for him to drop dead, was it?
Or was it, cause them bitches wrote him off
Little hussy ass fusses, f-ck it, guess it doesn't matter

now, does it
What difference it make?
Whats it take, to get it through your thick skulls
As if this aint some bullshit
People don't usually come back this way
From a place that was dark as I was in
Just to get to this place
Now let these words be like a switch blade to a haters
rib cage
And let it be known from this day forward
I wanna just say thanks cause your hate is what gave
me the strength
So let em bic's raise cause I came with 5'9 but I feel like
I'm 6'8

[Bruno Mars]

This was for you and me, living out our dreams
We are right where we should be
Lift my arms out wide I open my eyes
And now all I wanna see
Is a sky full of lighters
A sky full of lighters

[Royce Da 5'9"]

By the time you hear this I'll probably already be outtie
I advance like going from toting iron to going and
buying 4 or 5 of the homies the iron man Audi
My daddy told me slow down, boy, you goin to blow it
And I aint gotta stop the beat a minute
To tell Shady I love him the same way that he did
Doctor Dre on the Chronic
Tell him how real he is or how high I am
Or how I would kill for him for him to know it
I cried plenty tears, my daddy got a bad back
So it's only right that I write till he can march right into
that post office and tell em to hang it up
Now his career's Lebron's jersey in 20 years
I'll stop when I'm at the very top
You shitted on me on your way up
It's 'bout to be a scary drop
Cause what goes up must come down
You going down on something you don't wanna see like
a hairy box
Every hour, happy hour now
Life is wacky now
Used to have to eat the cat to get the pussy
Now I'm just the cats meoww, ow
Classic cow, always down for the catch weight like
Pacquiao
Ya'll are doomed
I remember when T-Pain aint wanna work with me
My car starts itself, parks itself and autotunes
Cause now I'm in the Aston

I went from having my city locked up
To getting treated like Kwame Kilpatrick
And now I'm fantastic
Compared to a weed high
And y'all niggas just gossipin' like bitches
on a radio and TV
See me, we fly
Y'all buggin out like Wendy Williams staring at a bee-
hive
And how real is that
I remember signing my first deal and now I'm the
second best I can deal with that
Now Bruno can show his ass,
without the MTV awards gag
[Bruno Mars]
You and I know what it's like to be kicked down
Forced to fight
But tonight we're alright
So hold up your lights
Let it shine
Cause this was for you and me,
living out our dreams
Are right where we should be
Lift my arms out wide I open my eyes
And now all I wanna see
Is a sky full of lighters
A sky full of lighters
