Step by step, heart to heart, left right left

We all fall down...

[Chorus]

Step by step, heart to heart, left right left

We all fall down like toy soldiers

Bit by bit, torn apart, we never win

But the battle wages on for toy soldiers

[Verse 1]

I'm supposed to be the soldier who never blows his
composure

Even though I hold the weight of the whole world on my
shoulders

I am never supposed to show it, my crew ain't
supposed to know it

Even if it means goin' toe to toe with a Benzino it don't
matter

I'd never drag them in battles that I can handle unless I
absolutely have to

I'm supposed to set an example

I need to be the leader, my crew looks for me to guide
'em

If some shit ever just pop off, I'm supposed to be
beside 'em

That Ja shit I tried to squash it, it was too late to stop it

There's a certain line you just don't cross and he
crossed it

I heard him say hailie's name on a song and I just lost it

It was crazy, this shit went way beyond some Jay-Z and
Nas shit

And even though the battle was won, I feel like we lost
it

I spent too much energy on it, honestly I'm exhausted

And I'm so caught in it I almost feel I'm the one who
caused it

This ain't what I'm in hip-hop for, it's not why I got in it

That was never my object for someone to get killed

Why would I wanna destroy something I help build

It wasn't my intentions, my intentions was good

I went through my whole career without ever mentionin'
