Okay folks, enough with the gay jokes,  
Especially from a gay broke bitch yourself, Hey Lo,  
Here's how i do do he worked here longer than me,  
And I get paid more than you do,  
Dawg take a seat, what's this guy standing in line for,  
He ain't got money to eat, check this out yo yo,  
This guy cashed his whole cheque, and bought one  
hoho,  
Fucking homo, little maggot, you can hack it,  
Paul's gay, you're a faggot,  
At least he admits it, don't even risk it,  
This guy starving to death, someone get him a biscuit,  
I don't know what they told you
