{eminem} 123...7:00 party at my friends house dr.dre
want me to
Sing new tunes and turn the place insideout I
said...maby if mr.grady ill let
Me out of detenction and ill talk my mom out susption
while I'm cooking
Pancakes in the kitching at the same time making
wishes hoping that they'll come
True cause it's the only thing to do and if they do come
true my life want be
So blue [chours]{dr.dre}when I say make some you
say noise make some
(crowd)noise [dr.dre] make some{crowd{noise}
[repeat3times]{eminem}every body
Make some noise ...now the party aready is
jumping..people left the nextdoors

Neighbors party to come knocking on are door cause
the music got more and more
Loud while I chowd sandwiches singing making more
noise the party got so wild
The police came while I listing to the negihbor say 2can
play at that game the
People at the party were so insane and when the police
left I herd dr.dre say
{reapeat chours 7times and on 5th time fade}{dr.dre
sings chours}
