[Chorus: x2]

I never meant to give you mushrooms girl
I never meant to bring you to my world
Now you sitting in the corner crying
And now it's my fault my fault

[Eminem:]

I went to John's rave with Ron and Dave
And met a new wave blonde babe with half of her head
shaved
A nurse aid who came to get laid and tied up
with first aid tape and raped on the first date
Susan - an ex-heroin addict who just stopped usin
who love booze and alternative music (Whattup?)
Told me she was goin back into usin again (Nah!)
I said, 'Wait, first try this hallucinogen
It's better than heroin, Henn, the booze or the gin
C'mere, let's go in here' *knocks on the door*
Who's in the den?'

[Ron:] It's me and Kelly!

[Eminem:] My bad, (sorry) let's try another room

[Susan:] I don't trust you!

[Eminem:] Shut up slut! Chew up this mushroom

This'll help you get in touch with your roots

We'll get barefoot, buttnaked, and run in the woods

[Susan] Oh hell, I might as well try em, this party is so
drab

[Eminem:] Oh dag!!

[Susan] What?

[Eminem:] I ain't mean for you to eat the whole bag!

[Susan:] Huh?!

[Chorus: x2]

I never meant to give you mushrooms girl
I never meant to bring you to my world
Now you sitting in the corner crying
And now it's my fault my fault (1st Chorus: I'm sorry!)

[Eminem:] Yo Sue!

[Susan:] Get away from me, I don't know you
Oh shoot, she's tripping..

[Susan:] I need to go puke!! (Bleahh!)

[Eminem] I wasn't tryin to turn this into somethin major
I just wanted to make you appreciate nature
Susan, stop cryin, I don't hate ya
The world's not against you, I'm sorry your father
raped you
So what you had your little coochie in your dad's
mouth?
That ain't no reason to start wiggin and spaz out
She said,
[Susan:] Help me I think I'm havin a seisure!
I said, 'I'm high too bitch, quit grabbin my t-shirt' (Let
go!)
'Would you calm down you're startin to scare me'
She said,
'I'm twenty-six years old and I'm not married
I don't even have any kids and I can't cook'
[Eminem:](Hello!) I'm over here Sue, (hi) you're talkin
to the plant, look!
We need to get to a hospital 'fore it's too late
Cause I never seen no-one eat as many shrooms as
you ate

[Chorus: x2]
I never meant to give you mushrooms girl
I never meant to bring you to my world
Now you sitting in the corner crying
And now it's my fault my fault (1st Chorus: It was an
accident!!)

[Eminem:] Wait! Where you goin? You better be careful
[Susan:] Leave me alone dad, I'm sick of gettin my hair
pulled
[Eminem:]I'm not your dad, quit tryin to swallow your
tongue
Want some gum? Put down the scissors, 'fore you do
somethin dumb
I'll be right back just chill baby please?
I gotta go find Dave he's the one who gave me these
[Eminem:]'John, where's Dave at before I bash you?'
[John:] He's in the bathroom
