Eminem

I don't know dude. I think everyone's all jealous an shit,  
cuz Im like, the lead singer of the band, dude. And I  
think everybody's got a fuckin problem with me, dude.  
And they need to take it up with me after the show.

(Chorus)

Because,

These chicks don't even know the name of my band  
But they're all on me like they wanna hold hands  
Cuz once I blow they know that I'll be the man  
All because I'm the lead singer of my band

Eminem

So I get off stage right?

Drop the mic

Walk up to these hot chicks and I'm all like,

'Sup, ladies? My name's Slim Shady

I'm the lead singer of D12 baby.'

They're all like,

'Oh my God it's him!

Becky Oh my fucking God it's Eminem!

I swear to fucking God dude, you fucking rock

Please Marshall please, let me suck your cock!'

And by now, the rest of the fellas get jealous

ESPECIALLY WHEN I DROP THE BEAT AND DO MY A  
CAPELLAS

All the chicks start yellin' All the hot babes

Throw their bras and their shirts and their panties on  
stage

So like every single night they pick a fight with me

But when we fight It's kinda like sibling rivalry

Cuz they're back on stage the next night with me

Dude I just think they're tryin to steal the light from me

Yesterday Kuniva tried to pull a knife on me

Cuz I told him Jessica Albas my wife to be

This rockstar shit is the life for me

And all the other guys just despise me

Because these

(Chorus)

My band, my band  
My band, my band  
My band, my band  
My band, my band  
MY BAAAAAAAAAAAAAAAAAAAAAND BABY!
