{*channel surfing until a kid's TV show*}
Hello boys and girls!
Today we're gonna talk about father and daughter
relationships
Do you have a daddy? I'll bet you do!
Who's your daddy?

[Hailie] Daddy what are you doing?
[Em H] Okay then! Everybody, listen up!
[Eminem] I'm goin to hell! Who's comin with me?!
[Hailie] Somebody please help him! I think my dad's
gone cray-zayy

[Eminem]
There's no mountain I can't climb, there's no tower too
high
No plane that I can't learn how to fly
What do I gotta do to get through to you
to show you there ain't nothin I can't take this chainsaw
to?
{Hailie: *VROOM*} Fuckin brains, brawn and brass
balls
I cut 'em off, and got 'em pickled and bronzed in a
glass jar
inside of a hall with my framed autographed
sunglasses
with Elton John's name, on my drag wall
I'm out the closet, I've been lyin my ass off
All this time me and Dre been fuckin with hats off
(Suck it Marshall!) So tell Laura and her husband to
back off
'fore I push this motherfuckin button and blast off
and launch one at these Russians and that's all
{*boom*}
Blow every fuckin thing except Afghanistan on the map
off
When will it stop? When will I knock the crap off?
{*knocking*} Hailie, tell 'em baby - (My dad's lost it!)

[Chorus: Eminem] {Hailie}
There's really nothin else to say, I-I can't explain it

{I think my dad's gone cray-zayy}
A little help from Hailie Jade, won't you tell 'em baby
{I think my dad's gone cray-zayy}
There's nothin you could do or say, that could ever
change me
{I think my dad's gone cray-zayy}
There's no one on earth that can save me, not even
Hailie -aca
