Featuring: Lil' Wayne

Young Money, yeah

Throw dirt on me and grow a wildflower
But it's fuck the world, get a child out her
Yeah, my life a bitch, but you know nothing 'bout her
Been to hell and back, I can show you vouchers

I'm rolling Sweets, I'm smoking sour
Married to the game but she broke her vows
That's why my bars are full of broken bottles
And my night stands are full of open bibles

I think about more than I forget
But I don't go around fire expecting not to sweat
And these niqqas know I lay 'em down, make you beg
Bitches, try to kick me while I'm down, I'll break your
leg

Money outweighing problems on the triple beam
I'm sticking to the script, you niqqas skipping scenes
Be good or be good at it
Fucking right, I got my gun, semi-Cartermatic

Yeah, put a dick in their mouth, so I guess it's fuck what
they say
I'm high as a bitch, up, up and away, man, I come down
in a couple of days
Ok, you want me up in the cage then I'll come out in
beast-mode
I got this world stuck in the safe, combination is the G-
code

It's Weezy motherfucker, Blood Gang and I'm in bleed
mode
All about my dough, but I don't even check the
peephole
So you can keep knocking but won't knock me down
No love lost, no love found

It's a little too late to say that you're sorry now

You kicked me when I was down, fuck what you say,
just
Don't hurt me, it don't hurt me, no more
Bitch, you get no love

You showed me nothing but hate, you ran me into the
ground
But what comes around goes around
And you don't hurt me
You don't hurt me, no more

Bitch, you get no love, no love, no love, no love
Bitch, you get no love, no love, no love
And I don't need you no more
Get 'em

I'm alive again, more alive than I have been in my
whole entire life
I can see these people's ears perk up as I begin
To spaz with the pen, I'm a little bit sicker than most,
shit's fixin' to get thick again
They say the competition is stiff, but I get a hard dick
from this shit, now I stick it in

I ain't never giving in again, caution to the wind,
complete freedom

Look at these rappers, how I treat them, so why the
fuck would I join them when I beat them?
They call me a freak 'cause I like to spit on these
pussies 'fore I eat them
Man, get these whack cocksuckers off stage, where the
fuck is Kanye when you need him?

Snatch the mic from 'em, bitch, I'mma let you finish in a
minute, yeah, the rap was tight
But I'm 'bout to spit the greatest verse of all time so
you might want to go back to the lab tonight and, um
Scribble out them rhymes you were going to spit and
start over from scratch and write new ones
But I'm afraid that it ain't gonna make no difference
when I rip this stage and tear it in half tonight

It's an adrenaline rush to feel the bass thump in the
place all the way to the parking lot, fellow
Set fire to the mic and ignite the crowd, you can see
the sparks from hot metal
Cold-hearted from the day I Bogarted the game, I self-
started a Roc fellow
When I'm not even in my harshest, you can still get
roasted 'cause Marsh is not mellow

'Til I'm toppling from the top I'm not going to stop, I'm
staying on my Monopoly board
That means I'm on top of my game and it don't stop, 'til
my hip don't hop anymore
When you so good that you can't say it, 'cause it ain't
even cool for you to sound cocky anymore
People just get sick 'cause you spit, these fools can't
drool or dribble a drop anymore

And you can never break my stride, you never slow the
momentum at any moment I'm about to blow
You'll never take my pride, killing the flow, slow venom
and the opponent
Is getting no mercy, mark my words ain't letting up,
relentless, I smell blood
I don't give a fuck, keep giving them hell, where was
you when I fell and needed help up?
You get no love

It's a little too late to say that you're sorry now
You kicked me when I was down, fuck what you say,
just
Don't hurt me, it don't hurt me, no more
Bitch, you get no love

You showed me nothing but hate, you ran me into the
ground
But what comes around goes around
And you don't hurt me
You don't hurt me, no more

Bitch, you get no love, no love, no love, no love
Bitch, you get no love, no love, no love
And I don't need you no more
Bitch, you get no love
