"Not Afraid"

[Chorus:]

I'm not afraid (I'm not afraid)  
To take a stand (to take a stand)  
Everybody (everybody)  
Come take my hand (come take my hand)  
We'll walk this road together, through the storm  
Whatever weather, cold or warm  
Just lettin you know that, you're not alone  
Holla if you feel like you've been down the same road  
(same road)

[Intro (during Chorus):]

Yeah, it's been a ride  
I guess I had to, go to that place, to get to this one  
Now some of you, might still be in that place  
If you're trying to get out, just follow me  
I'll get you there

You could try and read my lyrics off of this paper  
before I lay 'em  
But you won't take the sting out these words before I  
say 'em  
Cause ain't no way I'ma let you stop me from causin  
mayhem  
When I say I'ma do somethin I do it,  
I don't give a damn what you think,  
I'm doin this for me, so fuck the world  
Feed it beans, it's gassed up, if it thinks it's stoppin me  
I'ma be what I set out to be, without a doubt  
undoubtedly  
And all those who look down on me I'm tearin down  
your balcony  
No ifs ands or buts, don't try to ask him why or how can  
he  
From "Infinite" down to the last "Relapse" album  
he's still shittin, whether he's on salary paid hourly  
Until he bows out or he shits his bowels out of him  
Whichever comes first, for better or worse  
He's married to the game, like a fuck you for Christmas  
His gift is a curse, forget the Earth, he's got the urge

to pull his dick from the dirt, and fuck the whole  
universe

[Chorus]

Okay quit playing with the scissors and shit, and cut the  
crap  
I shouldn't have to rhyme these words in the rhythm for  
you to know it's a rap  
You said you was king, you lied through your teeth, for  
that  
Fuck your feelings, instead of gettin crowned you're  
gettin capped  
And to the fans, I'll never let you down again, I'm back  
I promise to never go back on that promise, in fact  
Let's be honest, that last "Relapse" CD was eh  
Perhaps I ran them accents into the ground  
Relax, I ain't goin back to that now  
All I'm tryin to say is get back, click-clack, blaow  
Cause I ain't playin around  
It's a game called circle and I don't know how, I'm way  
too up to back down  
But I think I'm still tryin to figure this crap out  
Thought I had it mapped out but I guess I didn't, this  
fuckin black cloud  
still follows, me around but it's time to exorcise these  
demons  
These motherfuckers are doin jumpin jacks now!

[Chorus]

And I just can't keep living this way  
So starting today, I'm breaking out of this cage  
I'm standing up, I'ma face my demons  
I'm manning up, I'ma hold my ground  
I've had enough, now I'm so fed up  
Time to put my life back together right now! (now)

It was my decision to get clean, I did it for me  
Admittedly, I probably did it subliminally  
for you, so I could come back a brand new me you  
helped see me through  
And don't even realize what you did, believe me you  
I been through the ringer, but they could do little to the  
middle finger  
I think I got a tear in my eye, I feel like the king of  
my world, haters can make like bees with no stingers  
and drop dead, no more beef flingers  
No more drama from now on, I promise  
to focus solely on handlin my responsibilities as a  
father

So I solemnly swear to always treat this roof, like my  
daughters  
and raise it, you couldn't lift a single shingle on it!  
Cause the way I feel, I'm strong enough to go to the  
club  
or the corner pub, and lift the whole liquor counter up  
Cause I'm raising the bar  
I'd shoot for the moon but I'm too busy gazin at stars  
I feel amazing and I'm
