## "Not Afraid"

I'm not afraid, I'm not afraid  
To take a stand, to take a stand  
(Yeah, it's been a ride)  
Everybody, everybody  
(I guess I had to)  
Come take my hand, come take my hand  
(Go to that place to get to this one)

We'll walk this world together through the storm  
(Now some of you)  
Whatever weather, cold or warm  
(Might still be in that place)  
Just lettin' you know that you're not alone  
(If you're tryin' to get out)  
Holla if you feel like you've been down the same road  
(Just follow me, I'll get you there)

You can try and read my lyrics off of this paper before I  
lay 'em  
But you won't take the sting out these words before I  
say 'em  
'Cause ain't no way I'ma let you stop me from causing  
mayhem  
When I say I'ma do something, I do it, I don't give a  
damn what you think

I'm doin' this for me, so fuck the world  
Feed it beans, it's gassed up if it thinks it's stopping me  
I'ma be what I set out to be, without a doubt,  
undoubtedly  
And all those who look down on me, I'm tearing down  
your balcony

No if, ands, or buts, don't try to ask him why or how can  
he  
From "Infinite" down to that last "Relapse" album  
He's still shittin' whether he's on salary, paid hourly  
Until he bows out or he shits his bowels out of him

Whichever comes first, for better or worse  
He's married to the game, like a fuck-you for Christmas  
His gift is a curse, forget the earth, he's got

The urge to pull his dick from the dirt and fuck the  
whole universe

I'm not afraid, I'm not afraid  
To take a stand, to take a stand  
Everybody, everybody  
Come take my hand, come take my hand

We'll walk this route together through the storm  
Whatever weather, cold or warm  
Just lettin' you know that you're not alone  
Holla if you feel like you've been down the same road

Okay, quit playin' with the scissors and shit and cut the  
crap  
I shouldn't have to rhyme these words in a rhythm for  
you to know it's a wrap  
You said you was the king, you lied through your teeth  
For that fuck your fillings, instead of getting crowned  
you're getting capped

And to the fans, I'll never let you down again, I'm back  
I promise to never go back on that promise, in fact  
Let's be honest, that last "Relapse" CD, was "eh"

Perhaps I ran the max and since hit the ground

Relax, I ain't goin' back to that now  
All I'm tryin' to say is get back, click clack, pow  
'Cause I ain't playin' around, it's the game called  
circlin'  
I don't know how, I'm way too rough to back down

But I think I'm still tryin' to figure this crap out  
Thought I had it mapped out, but I guess I didn't  
This fucking black cloud still follows me around  
But it's time to exorcise these demons, these  
motherfuckers are doing jumping-jacks now

I'm not afraid, I'm not afraid  
To take a stand, to take a stand  
Everybody, everybody  
Come take my hand, come take my hand

We'll walk this route together through the storm  
Whatever weather, cold or warm  
Just lettin' you know that you're not alone  
Holla if you feel like you've been down the same road

And I just can't keep living this way  
So starting today, I'm breaking out of this cage

I'm standing up, I'ma face my demons  
I'm manning up, I'ma hold my ground  
I've had enough, now I'm so fed up  
Tryin' to put my life back together right now

It was my decision to get clean, I did it for me  
Admittedly, I probably did it subliminally for you  
So I could come back a brand new me, you helped see  
me through  
And don't even realize what you did, believe me you

I've been through the ringer, but take it through little to  
the middle finger  
I think I got a tear in my eye, I feel like the king of  
My world, haters can make like bees with no stingers  
And drop dead, no more beef flingers

No more drama, from now on I promise to only focus  
On handlin' my responsibilities as a father  
I solemnly swear to always treat this roof like my  
daughter  
And raise it, you couldn't lift a single shingle on it

'Cause the way I feel, I'm strong enough to go to the  
club  
Or the corner pub and lift the whole liquor counter up  
'Cause I'm raisin' the bar, I shoot for the moon  
But I'm too busy gazin' at stars I feel amazin'

And I'm not afraid, I'm not afraid  
To take a stand, to take a stand  
Everybody, everybody  
Come take my hand, come take my hand

We'll walk this route together through the storm  
Whatever weather, cold or warm  
Just lettin' you know that you're not alone  
Holla if you feel like you've been down the same road
