Yo

(Yo)

Look!

(Yo)

[Eminem]

No matter what people say

I'm gon' keep rapping this way

No matter what you may think

I'm gon' keep doing my thing

One of the worst things yo I am a fag i suck at rapin yo

Is fat, bald men decided to write songs

And teach Mouseketeers to sing

I'll stick Britney Spears in a room full of mirrors

So she gets fifty years of bad luck

Club and swear at Christina Aguilera

When I grab her by the hair and drag her across the

Sahara

(Bitch!)

You aware of this rap terrorist with a therapist

With a hair up his ass like a rabbit crawled up his pants

Got a habit of holding Tylenol in his hands

Till it melts in his fucking palms and dissolves in his

glands

(So who is it?)

The fool who visits the playground

With two biscuits to lay down the school district

Get pissed with a whip with a Marseburg

With a pistol grip and fed pit bull shit

Sniff glue sticks like I give two shits

If I get too rich I just get sued

[Redman]

Yo I leave with no engine

After I blow four in ya

One handstand on top of your ninja

Crashin' Doc stir the madness

We all out of work like Tony Atlas

Walking with cans in a laundry basket  
America's most with the army after us  
Fuck flossin' we take what's yours  
Unload fifteen like an ace and four  
I'm out of work but Doc laid them off  
(Shit! The power's out)  
The tape is off  
Yo who target it from arsonists?  
Paper make pens filled with arsenic  
I got hoes that don't know what Prada is  
Doc can shave up, cut your barber miss  
?  
I turn out camps in to crystal lakes  
And fuck bitches face is what I'mma do  
Cause that's what white boy Tyno do

[Eminem]

So how's everybody doing tonight?  
Hope you in the mood to get drunk  
To screw and to fight  
Cause uh we getting down for the fuck of it  
So suck my dick if y'all don't wanna bump to this

[Redman]

So how's everybody feeling tonight?  
Hope you in the mood to get rude  
And illin' to fight  
Cause uh we getting down for the fuck of it  
So suck my dick if you don't wanna bump

[Eminem]

No matter what people say  
I'm gon' keep rapping this way  
No matter what you may think  
I'm gon' keep doing my thing

[Redman]

Yo when my gat spit it hospital son admitted  
Rip your lips off kiss my ass with it  
Slap bitches, Doc, Marshall Maths..  
(Print it!)  
We ex and ass of tabs did it  
I'm what's happening with no rerun  
Doc rob Dinero when the heat come  
My barrel hangs out the Camero  
Aimed at the nose when them hoes is hard to breathe  
from  
Flash the gat your town bow guarded  
Your wallet, your chain the main target  
Beef is like cold engine, don't start it

Bust in the air and hit an airplane pilot  
We pound you, rap surround sounds around you  
From ten speed and brown shoe  
Doc and Eminem, cock the M&M  
Blood flows with 2Paclypse and them  
It's like Funk Doctor

[Eminem]

Mr. Punk Rocker  
Got the drug stock inside the lunch box  
Pop junk like I just got jumped  
Pop the trunk and pull out the shotgun pump  
Knock wood, it's all good  
Thank God for vodka  
But with my luck, I'll probably get shot by a stalker  
Probably got a Fanatic waiting upstairs in the attic  
With an automatic calling me up there  
My man Stan with a gat in his hand  
Staking my house out in a damn tinted Sedan  
Pull your mouth out till you can't finish a damn  
Ham sandwich or your canned spinach or Spam  
You gotta sip through a straw  
Shop lift through the mall  
Pictures of me on my mom's living room wall  
Hey ma maybe I'll give you a call  
SIKE! YOU FUCKING BITCH!  
Suck a dick and two balls  
I'm giving you all my shocking script  
Which is to piss a priest off with this  
Pop more pills than police officers  
Arrive at the scene to pull me off of Kim  
Teeth off my dick, hands off my balls  
But y'all can kiss my ass, pants off and all  
Cause I'm so goddamn off the wall  
I might as well be a painting smashed on the floor

[Redman]

So how's everybody feeling tonight?  
Hope you in the mood to get rude  
And illin' to fight  
Cause uh we getting down for the fuck of it  
So suck my dick if you don't wanna bump

No matter, OH!
