[Intro- 50 Cent]

Sh Sh...Shady Aftermath HaHa

G G G-Unit! HaHa

[Chorus- Eminem]

Cause we came here to set this party off right

Let's bounce tonight

And if they don't let us in through the front

We'll come through the side

Cause I don't ever wanna leave the game

Without atleast sayin good-bye

So all my people on my left

All my people on the right swing one last time

Get ya ass up for the doctor

One more time get ya ass up for the doctor

Come on now here we go cliff hanger

It's another club banger got ya hangin on the edge of
ya seat

Get on down

[Verse 1]

[Dr. Dre]

Time's up game's over you lose I win

Bout to show these knuckleheads how to do this here

Ooh yea new year next phase begin

Look who's got you goin crazy again

I'm a trend I set one everytime I'm in

I go out and just come back full circle again

You a fad, that means you're somethin that we already
had

But once you're gone you don't come back

[Eminem]

Too bad you're off the map now, radar can't even find
you

We stay on the grind you slip we out grind you

You walk around mad you let your anger blind you

We walk around just playin the violin behind you

Enough with all the pissin and moanin, whinin and
bitchin

Sittin observed, listen you'll learn if you pay attention

While 10 multi-platinum albums lay the three diamond

World wide we on the charts with a bullet we're still flyin

[Chorus- Eminem]

Cause we came here to set this party off right
Let's bounce tonight
And if they don't let us in through the front
We'll come through the side
Cause I don't ever wanna leave the game
Without atleast sayin good-bye
So all my people on my left
All my people on my right swing one last time
When Dr. Dre says crunk you will get it crunk
Get it crunk (Crunk crunk crunk)
And when 50 Cent says jump
You get on one foot and

50 Cent:

Jump, jump

Eminem:

Jump, jump

[Verse 2]

[Dr. Dre]

The buzz is tremendous we drop you all just sense it
I don't gotta promote it for you to know the Doc is off
the benches

[Eminem]

We keep the party rockin off the hinges
We ain't showin off, we just goin off popular concensus

[Dr. Dre]

But critics say the Doc is soft, Doc is talk
The Doc is all washed up knock it off
Who the fuck is Doc impressin
Doc is this Doc is that you got the wrong impression
You must be on the cock of Doc 'cause Doc left you all
guessin
So DJ take the needle and just drop it on the record
We gonna have this mothafucka hoppin in a second
(bump, bump!)
Thats why we always save the best cut last
To make a scratch and itch for it like fresh cut grass

[Eminem]

Cause we done swam with the sharks wrestle with
alligators
Spoke to a generation of angry teenagers
Whom if it wasnt for rap to bridge the gap
Maybe raised to be racist

who may have never got to see our faces,
Graced the cover of Rolling stone pages
Broke down barriers of language and races,
just call on the cape crusaiders
and leave it to me and Dre to pass the mic
And we can play the back and forth all day like the hot
potato game
Thats why we came to...

[Chorus- Eminem]

Cause we came here to set this party off right
Llet's bounce tonight
And if they don't let us in through the front
We'll come through the side
Cause I don't ever wanna leave the game
Without atleast sayin good-bye
So all my people on my left
All my people on my right swing one last time
50 Cent come on!

[Verse 3]

[50 Cent]

Bounce now hands up you know how we do
We make the club jump everywhere we go
It's no secret everybody know when Dre's involved
There's plenty money involved

[Dr. Dre]

And plenty honies involved and sunny sunday's and
palm trees
Cali everyday is just another party from the valleys

[Dr. Dre & Eminem]

All the way to them 8 mile alleys

[Eminem]

Let's ralley hands up for the grand finale now raise up
out your seat
Dre's about to speak,
Blaze a pound of weed six days about the week

[Dr. Dre]

You can catch me in the studio bangin out the beats to
Provide you with the heat that keep blazin out your
speaker

[Eminem]

So never say never 'cause Shady Aftermath together
Along with G-Unit records presents the return of the
The Doc and Shady no one can do it better
We tear the club up and leave without a shred of

evidence of the

[Chorus- Eminem]

We came here to set this party off right
Let's bounce tonight
And if they don't let us in through the front
We'll come through the side
Cause I don't ever wanna leave the game
Without atleast sayin good-bye
So all my people on my left
All my people on my right swing one last time

[Outro- Eminem]

Yeah!
