I come around like what goes around  
What goes up must come down, anyone who comes up  
must go down  
Might as well go for the gusto now  
Better not let up, better not let them breathe  
Last shot, give it all you got  
Try to turn me down bitch, get fucked with a volume  
knob  
Fuck all you snobs, hoes now i hope all you rot  
2 bottles of lupiderm and a box of condoms is that all  
you brought  
And you want a MÃ©nage Ã  trois you twats  
Fuck that i'd rather turn this club to a ballroom brawl  
Get rowdy as roethlisberger in a bathroom stall  
Like a leaf stuck in a vacuum ya'll  
ain't nuttin but a whole lotta suckin' going on in rap  
Yeah but I'm home, back for the bone, back in the zone  
let him alone you don't wanna go eggin him on  
It'll never be my chair that you own  
crown so tight that it cuts all circulation  
to the brain no oxygen other words it's no air to the  
throne  
When i die so does hip-hop  
hitchcock did a shit bitch ass doc got his zip locked in a  
bag  
you fags ain't been able to fade me since kid rock had  
a hi-top  
keep bloggin while i'm mind boggling and i zone like  
im in the twilight dog  
get off my bone, this is my mic dog and i like hoggin it  
flow so wet ima take this beat tabboggoning, im water  
loggin it, im soggin it  
pull your verse out the beat and stomp on it

suplex it on cement like im on some straight outta  
compton shit  
take this dick and chomp on it, im so bad i could bitch  
slap a back handed compliment  
jackass, eat a donkey dick, the game i just about  
conquered it  
like donkey kong, im bonkers bitch im the king of this  
honkey shit

i reign supreme in this honkey shit  
no sense screaming and arguing makes no difference  
whether a benz or a bentley or beamer's the car you in  
you think you ball well i bomb it, i throw up bombs when  
i vomit  
boi i throw down in the kitchen might hit your mum with  
my omlete  
but you got egg on your face, now watch me drop it  
atomic  
i should be strapped to the chest of a kamikaze bitch  
im as bat shit as ozzy it's obvious you can tell right off  
the bat  
no pun intended but come any closer i'll bite off your  
head  
trying to give me the finger's kinda like giving a spider  
the web  
I'm just gonna spin it and use it to my advantage  
i catch a fly in that bitch, you think you fly, you just food  
i give as much of a flying fuck as that superman dude  
Guess I just do what you can't do, i make you look  
stupid and bamboozled  
confused as usual and you can ripped she can open a  
can too  
you better hope you can handle the heat or stay the  
fuck outta hells kitchen  
i came to cock block like a square, fucking male  
chicken  
Yeah, it's shady slut the rest can suck on a big one  
cuz Im as despicable as daffy duck when im spittin
