Lift your shirt up, and tell me who's real best?

Everlast, girls three times at day three times at night,

Shut u down for revange, G.

Beat u down as we all know I do G.

Brothers like, Eminem change the styllaa.

Like everytimes smoke the herion.

Get back in this day shit and feel for more crack like
kokain.

Listen, must we repeat ?

I'm not the one who write about bullshit,

and sell those drug shit, and fuck mothafuckas' who
say that I'm talking shit.

Detroit sidney is where I grew up bitch.

Now peace for all my outsiders, and this world.

Fuck what u want this is three one third.

[Chorus:]

Put 'em up yaaa put 'em up put 'em up.

Say dr.dre (DR.DRE) dr.dre (DR.DRE)

[Verse 2:]

One two three and to the four,

Snoop Doggy Dog, and dre is after ya.

Ready to fight? go and get your back up.

And we about to fuck u upppp..

Gimme the microphone first, so I can fly like a bubble.

All those peices together, yo u know you're in trouble.

But back to the old shit and make this to a end.
Nervous is nervous, something u can't understand.
You never know my wife maybe could hurt a man.
Burn a man, and last thing, feel for learn this man.
And when she learn, I chill for a minute.
Ain't no bitch ass pussy on my fuckin' penis.
And thats really horny so my penis got harder,
Stronger bigger, so hard u wanna fuck her.
