I take a couple uppers
I down a couple downers
But nothing compares
To these blue and yellow purple pills

I've been to Mushroom mountain
Once or twice but who's countin'
But nothing compares
To these blue and yellow purple pills

Cool, calm, just like my mom
With a couple of valium inside her palm
It's Mr. Mischief with a trick up his sleeve
Crawl up on you like Christopher Reeves
I can't describe the vibe I get when I drive by 6 people
And 5 I hit, ah shit, I started a mosh pit
Squashed a bitch and stomped the foster kids
These Shrooms make me hallucinate
Then I sweat till I start losing weight

Till I see dumb shit start happenin'
Dumber than Vanilla Ice tryin' to rap again
So bounce, bounce, c'mon bounce, I said c'mon bounce
Everybody in the house with a half an ounce
Not weed, I meant coke, dumbass, sit down
We don't bullshit, better ask around
D12 throws the bomb to gas your town
Bizarre, your mom is passing out
Get her ass on the couch before she passes out

Fuck that, someone help Denaun
He's upstairs naked with a weapon drawn
Hey Von, you see me steppin' on these leprechauns?
It gotta be acid 'cos the X is gone
Yeah, I took 'em all down with some parmesian
And I think my arm is gone, it's probably numb
Young, dumb, and fulla cum
And I think he 'bout to swallow his tongue

You scary ass, it was false alarm
You think I'm 'bout to die when I just got on?
So stop acting stupid, you so high

That you might wake up with a guy on some new shit
I think I did too much, this substance equals cuffs
Red pills, blue pills, and green
Big pills
(That's ill)
Mescaline

I take a couple uppers
I down a couple downers
But nothing compares
To these blue and yellow purple pills

I've been to Mushroom mountain
Once or twice but who's countin'
But nothing compares
To these blue and yellow purple pills

Dirty Dozen, 80 of us
Shady brothers, ladies love us
That's why our baby mothers
Love us but they hate each other

They probably wanna take each other out
And date each other
Some, something, something, something
Something, something, something, something, I dunno

Pop pills, pills I pop
Pop two pills, on stilts I walk
Snort two lines that were filled with chalk
Thought I was incredible and killed the hulk
I wanna, roll away like a rollerblade
Until my eyes roll back in my skull for days
And when I'm old and gray
Look for coke to smoke, no oki dok

I pack up my nose with coke
Am I supposed to choke?
Had an accident when the Trojan broke
Ahh, poor baby
Born by whore lady
Now I gotta straight born infant
(You're crazy)

I pop four E's at one time
And I don't need water when I'm swallowing mine
You got any shrooms? Does Bizarre smoke crack?
We can't get jobs 'cos our arms show tracks
Why the hell you niggas think I rap?
I do it just to get your company hijacked

If you like smack then I might too
(Swift, chill)
I just wanna get high like you
And I don't give a damn if they're white or blue
Speed, shrooms, down the valium
Even smoke weed outta vacuums
I just got some and I'm going back soon

I take a couple uppers
I down a couple downers
But nothing compares
To these blue and yellow purple pills

I've been to Mushroom mountain
Once or twice but who's countin'
But nothing compares
To these blue and yellow purple pills

I'm at a rave looking like a slave
High off chronic, gin and tonic demonic
Body smelt like vomit
Pussy poppin', acid droppin', dope headed guy
Heroin mescaline, pencil legs wanna try?
Blue pills, golden seals

Got Bizarre actin' ill
Drugs kill
(Yeah, right)
Bitch, I'm for real
Shut your mouth you dirty slut
You know you want it in your butt
I'll put it in your cunt
Let Bizarre nut

I take a couple uppers
I down a couple downers
But nothing compares
To these blue and yellow purple pills

I've been to Mushroom mountain
Once or twice but who's countin'
But nothing compares
To these blue and yellow purple pills

Dirty Dozen, 80 of us
Shady brothers, ladies love us
That's why our baby mothers
Love us but they hate each other

They probably wanna take each other out
And date each other

Some, something, something, something
Something, something, something, something I dunno
Fuck it
