I take a couple uppers  
I down a couple downers  
But nothing compares  
To these blue and yellow purple pills  
I've been to mushroom mountain  
Once or twice but who's countin'  
But nothing compares  
To these blue and yellow purple pills

[Eminem]

Cool, calm, just like my mom  
With a couple of valium inside her palm  
It's Mr. Mischief with a trick up his sleeve  
Crawl up on you like Christopher Reeves  
I can't describe the vibe I get  
When I drive by 6 people  
And 5 I hit  
Ah shit  
I started a mosh pit  
Squashed a bitch  
And stomped the foster kids  
These Shrooms make me hallucinate  
Then I sweat till I start losing weight  
Till I see dumb shit start happenin'  
Dumber than Vanilla Ice tryin to rap again  
So bounce, bounce, c'mon bounce  
I said c'mon bounce  
Everybody in the house with a half an ounce  
Not weed, I meant coke, dumbass, sit down  
We don't bullshit, better ask around  
D12 throws the bomb to gas your town  
Bizarre, your mom is passing out  
Get her ass on the couch before she passes out  
[Kon Artist & Kuniva]  
Fuck that, someone help Denaun  
He's upstairs naked with a weapon drawn  
Hey Von  
You see me steppin' on these leprechauns?  
It gotta be acid 'cos the X is gone  
Yeah I took 'em all down with some parmesian  
And I think my arm is gone  
It's probably numb

Young, dumb, and fulla cum  
And I think he 'bout to swallow his tongue  
You scary ass it was false alarm  
You think I'm 'bout to die when I just got on?  
So stop acting stupid  
You so high  
That you might wake up with a guy  
On some new shit  
I think I did too much  
This substance equals cuffs  
Red pills, blue pills, and green  
Big pills, (that's ill)  
Mescaline

I take a couple uppers  
I down a couple downers  
But nothing compares  
To these blue and yellow purple pills  
I've been to mushroom mountain  
Once or twice but who's countin'  
But nothing compares  
To these blue and yellow purple pills  
[Eminem]  
Dirty Dozen  
80 of us  
Shady brothers  
Ladies love us  
That's why our baby mothers  
Love us but they hate each other  
They probably wanna take each other out  
And date each other  
Some-, something, something, something  
Something, something, something, something, i dunno

[Proof]  
Pop pills  
Pills I pop  
Pop two pills  
On stilts I walk  
Snort two lines that were filled with chalk  
Thought I was incredible and killed the hulk  
I wanna, roll away  
Like a rollerblade  
Until my eyes roll back in my skull for days  
And when I'm old and gray  
Look for coke to smoke  
No oki dok  
I pack up my nose with coke  
\*cough cough cough\*  
Am I supposed to choke?  
Had an accident when the Trojan broke

Ahh, poor baby  
Born by whore lady  
Now I gotta straight born infant  
(You're crazy!)  
[Swifty]  
I pop four E's at one time  
And I don't need water when I'm swallowing mine  
You got any shrooms?  
Does Bizarre smoke crack?  
We can't get jobs  
'Cos our arms show tracks  
Why the hell you niggas think I rap?  
I do it just to get your company hijacked  
If you like smack  
Then I might too  
(Swift, chill)  
I just wanna get high like you  
And I don't give a damn if they're white or blue  
Speed, shrooms, down the valium  
Even smoke weed outta vacuums  
I just got some and I'm going back soon

I take a couple uppers  
I down a couple downers  
But nothing compares  
To these blue and yellow purple pills  
I've been to mushroom mountain  
Once or twice but who's countin'  
But nothing compares  
To these blue and yellow purple pills  
[Bizarre]  
I'm at a rave  
Looking like a slave  
High off chronic  
Gin and tonic demonic  
Body smelt like vomit  
Pussy poppin', acid droppin', dope headed guy  
Heroin mescaline  
Pencil legs wanna try?  
Blue pills, golden seals  
Got Bizarre actin' ill  
Drugs kill (yeah right)  
Bitch I'm for real  
Shut your mouth you dirty slut  
You know you want it in your butt  
I'll put it in your cunt  
Let Bizarre nut!

I take a couple uppers  
I down a couple downers  
But nothing compares

To these blue and yellow purple pills  
I've been to mushroom mountain  
Once or twice but who's countin'  
But nothing compares  
To these blue and yellow purple pills
