Lotto:

Yo its time to get rid of this coward right here once and  
for all

Im sick of this mother fucker check this shit out  
Hah hem yo

I'll spit a racial slur honkey, sue me  
This shit is a horror flick but the black guy doesnâ€™t  
die in this movie  
Your doing lotto dogg you gotta be kidding  
That makes me believe you really donâ€™t have a  
interest in living  
You think these niggaâ€™s gonna feel with the shit you  
say?  
I got a better chance joining the KKK  
Off some real shit though I like you  
Thatâ€™s why I didnâ€™t wanna have to be the one  
you commit suicide to  
Fuck lotto call me your leader  
I feel bad that I gotta murder that dude from leave it to  
beaver  
I used to like that show  
Now you got me in fight back mode, but oh well if you  
got to go, you got to go  
I hate to do this I would love for this shit to last  
So I'll take pictures of my rear end so you wonâ€™t  
forget my ass  
Allâ€™s well that endâ€™s ok  
So Iâ€™ll end this shit with a fuck you but have a nice  
day

Eminem freestyle:

Ward, I think you were a little hard on the beaver  
So was Eddie Haskell, Wally and Miss Cleaver  
This guy keeps screaming heâ€™s paranoid  
Quick someone get his ass another steroid  
Blah be do blah blah do be blu blah  
I ainâ€™t hear a word you say Hibbidy who blah  
Is that a tanktop or a new bra?  
Look snoop dogg just got a fuckin boob job

Didn't you listen to the last round meathead?  
Pay attention your saying the same shit that he said  
(Iâ€™m a fuck you up)  
Matter of fact dogg hereâ€™s a pencil  
Go home write some shit make it suspenseful  
And donâ€™t come back until something dope hits you  
Fuck it, you can take the mic home with you  
Lookin like a cyclone hit you  
Tanktop screaming â€œLotto I donâ€™t fit you!â€  
You see how far them white jokes get you  
Boyâ€™s like â€œhow vanilla ice gonna diss you?â€  
My motto fuck lotto  
Iâ€™ll get the 7 digits from your mother for a dollar  
tomorrow
