Ah yeah, yo!

This song is dedicated to all the happy people  
All the happy people who have real nice lives  
And have no idea whats it like to be broke as fuck

I feel like I'm walking a tight rope without a circus net  
I'm popping perkasetes, I'm a nervous wreck  
I deserve respect but I work a sweat for this worthless  
check  
'Bout to burst this tech at somebody to reverse this  
debt

Minimum wage got my adrenaline caged, full of venom  
and rage  
Especially when I'm engaged  
And my daughter's down to her last diaper, that's got  
my ass hyper  
I pray that God answers, maybe I'll ask nicer

Watching ballers while they flossing in their  
pathfinders  
These overnight stars becoming autograph signers  
We'll all goin' to blow up and leave the past behind us  
Along with the small fry's and average half pinter's

While playa haters turn bitch like they have vaginas  
'Cause we see them dollar signs and let the cash blind  
us  
Money will brainwash you and leave your ass mindless  
Snakes slither in the grass spineless

That's rock bottom  
When this life makes you mad enough to kill  
That's rock bottom  
When you want something bad enough to steal  
That's rock bottom  
When you feel like you have had it up to here  
'Cause you mad enough to scream but you sad enough  
to tear

That's rock bottom  
When this life makes you mad enough to kill

That's rock bottom  
When you want something bad enough to steal  
That's rock bottom  
When you feel like you have had it up to here  
'Cause you mad enough to scream but you sad enough  
to tear

My life is full of empty promises and broken dreams  
I'm hoping things will look up but there ain't no job  
openings  
I feel discouraged hungry and malnourished  
Living in this house with no furnace, unfurnished

And I'm sick of working dead end jobs with lame pay  
I'm tired of being hired and fired the same day  
But fuck it, if you know the rules to the game, play  
'Cause when we die we know were all going the same  
way

It's cool to be player but it sucks to be the fan  
When all you need is bucks to be the man plus a luxury  
sedan  
Too comfortable and roomy in a six  
But they threw me in the mix with all these gloomy  
lunatics

Walk around depressed and smoke a pound of ses a  
day  
And yesterday went by so quick it seems like it was just  
today  
My daughter wants to throw the ball but I'm too  
stressed to play  
Live half my life and throw the rest away

That's rock bottom  
When this life makes you mad enough to kill  
That's rock bottom  
When you want something bad enough to steal  
That's rock bottom  
When you feel like you have had it up to here  
'Cause you mad enough to scream but you sad enough  
to tear

That's rock bottom  
When this life makes you mad enough to kill  
That's rock bottom  
When you want something bad enough to steal  
That's rock bottom  
When you feel like you have had it up to here  
'Cause you mad enough to scream but you sad enough  
to tear

There's people that love me and people that hate me  
But it's the evil that made me this backstabbing,  
deceitful and shady  
I want the money, the women, the fortune and fame  
That means I'll end up burning in Hell scorching in  
flames

That means I'm stealing your checkbook and forging  
your name  
Just lifetime bliss for eternal torture and pain  
'Cause right now I feel like just hit the rock bottom  
I got problems, now everybody on my blocks got 'em

I'm screaming like those two cops when Tupac shot 'em  
Holding two Glock's, I hope your doors got new locks on  
'em  
My daughter's feet ain't got no shoes or sock's on 'em  
And them rings you wearing look like they got a few  
rocks on 'em

And while you flaunting them I could be taking them to  
shops to pawn them  
I got a couple of rings and a brand new watch, you  
want 'em?  
'Cause I never went gold of one song  
I'm running up on someone's lawns with guns drawn

That's rock bottom  
When this life makes you mad enough to kill  
That's rock bottom  
When you want something bad enough to steal  
That's rock bottom  
When you feel like you have had it up to here  
'Cause you mad enough to scream but you sad enough  
to tear

That's rock bottom  
When this life makes you mad enough to kill  
That's rock bottom  
When you want something bad enough to steal  
That's rock bottom  
When you feel like you have had it up to here  
'Cause you mad enough to scream but you sad enough  
to tear  
That's rock bottom
