May I have your attention please
Will the Reals Slim Shady please stand up
I repeat, Will the real slim shady please stand up
Were gonna have a problem here

Y'all act like yall never seen a white person before,
jaws on the floor like Pam and Tommy just burst in the
door and started whoopin her ass worse than before
they first got divorced and started throwin over
furniture,
it's the return of the .. oh wait, no way, you're kidding,
he didn't just say what i think he did, did he?
and dr.dre said...
nothing you idiots dr.dre's dead he 's locked in my
basement!
feminist women love Emimem chigg chika Slim Shady
i'm sick of him, look at him, walkin around grabbin his
you know what and flippin at you know who, yeah but
he's so cute though,
yeah i prolly got a couple'a screws up in my head
loose,
but no worse than whats goin on in your parents
bedroom,
sometimes i wanna get on tv and just let loose, but i
cant,
but its cool for ??tom green?? to hump a moose,
my bum is on your lips,
my bum is on your lips,
an if im lucky you might just give it a little kiss,
and thats the message we deliver to little kids and
expect them not to know what a womans clitoris is,
of course they gonna know wat intercourse is by the
time they hit fourth grade the got the discovery
channel don't they?

we aint nothin but mammals, well some of us are
cannibals who cut other people open like antelopes
but if we can hump dead animals and antelopes,
then theres no reason that a man and another man
can't elope,
but if you feel like i feel i've got the antidote, women
wear your pantyhose, sing the chorus an it goes.

im slim shady yes im the real shady, all the other slim
shady's are just imitating, so won't the real slim shady
please stand up,
please stand up, please stand up,

im like a headtrip to listen, coz im only givin you things
that you joke about with your friends inside your living
room,
the only difference is i got the balls to say in front of
ya'll an i dont gotta be short or sugar-coated at all,
i jus get on the mike an spit it an whether u like to admit
it,*riit* i jus shit it better than ninety percent of you
rappers out there,
and you wonder how can kids eat up these albums like
valiums, its funny,
coz at the rate im goin when im thirty, i'll be the only
person in the nursing home flirtin, pinchin nurses asses
while im jackin off jerkin the gherkin and this whole bag
of viagra isn't workin,
an every single person is a slim shady lurkin who could
be workin at burger king, spittin on your onion rings,
*** through the parkin lot circling screamin i don't give
a fuck, with his windows down and his system up
so would the real slim shady please stand up, and put
one of those fingers on each hand up, an be proud to
be outta your mind, an outta control, and one more
time, loud as you can, how does it go?

m slim shady yes im the real shady.....
