[Chorus-Akon]

I feel you creepin, I can see it from my shadow  
wanna jump up in my lamborghini gallardo  
Maybe go to my place and just kick it like taboe  
Then possibly bend you over  
Look back and watch me

[x2]

smack that, all on the floor  
Smack that, Give me some more  
Smack that, till you get sore  
Smack that, ohh oh oh oh oh

[Verse 1-Akon]

Up front, star ready to attack now  
Pull in the parkin lot, slow with the lac down  
Konvikts got the whole thing packed now  
Step in the club,  
and wardrob in tac now  
I see the like now  
I'm a carter then I put the mac down  
Money no problem, pocket full of that now

[Chorus]

[Chorus-Akon]

I feel you creepin, I can see it from my shadow  
wanna jump up in my lamborghini gallardo  
Maybe go to my place and just kick it like taboe

[Verse 2-Eminem]

Ohhhhh, looks like another club banger  
They better hang on when they throw this thing on  
Get a little drink on

They gon' flip for this Akon shit, you can bank on it  
Pedicure, manicure, kitty cat claws  
The way she climbs up and down them poles  
Lookin like one of them putty cat dolls  
Tryin to hold my woody back through my drawers  
Steps on stage didn't think I saw  
Creeps up behind me and she's like YAAAA!

I'm like "I know let's cut to the chase, no time to waste,  
back to my place"  
Plus from the club to the crib's, like a mile away  
Or more like a palace shall i say  
And plus I got a pal if ya gal is game  
In fact he's the one singin the song that's playin  
Akon!

[Chorus]

[Chorus-Akon]
