Eminem: Lose Yourself  
8 Mile Soundtrack

Look, if you had one shot, and one opportunity  
To seize everything you ever wanted  
One moment  
Would you capture it or just let it slip? Yo

His palms are sweaty knees weak arms are heavy  
There's vomit on his sweater already, mom's spaghetti  
He's nervous, but on the surface he looks calm and ready  
To drop bombs, but he keeps on forgetting  
What he wrote down, the whole crowd goes so loud  
He opens his mouth, but the words won't come out  
He's chokin' how everybody's jokin' now  
The clocks run out, time's up over blough!  
Snap back to reality, Oh there goes gravity  
Oh, there goes Rabbit, he choked  
He's so mad, but he won't give up that easy, no  
He won't have it, he knows his whole back's to these ropes  
It don't matter, he's dope  
He knows that, but he's broke  
He's so stacked that he knows  
When he goes back to this mobile home, that's when it's  
Back to the lab again, yo, this whole rhapsody
