People!! It feels so good to be back!
Ladies and Gentlemen,
introducing the new and improved,
you know who

Verse 1

Never been the type to bend or budge,
the wrong button to push, no friend of Bush
I'm the centerpiece, you're a Maltese.
I'm a pitbull off his leash,
all this peace talk can cease
All these people I had to leave in limbo,
I'm back now, I've come to release this info
I'll be brief and let me just keep shit simple,
Can-a-bitch don't want no beef with Slim? Noooo!
Not even on my radar,
So won't you please jump off my dick,
Lay off and stay off!
And follow me as I put these crayons to chaos,
from sance to sance, aw-a-aw-sh-a-aw

Chorus (X2)

C'mon now,
Let's all get on down,
Let's do-si-do now,
We gon' have a good ol' time
Don't be scared,
Cuz there ain't nothin' to worry 'bout,
Let your hair down,
and square dance with me!

Cause you can't handle the track,
Yeah get on back,
The boogie monster of rap,
Yeah the man's back,
With a plan to ambush this bush administration,
Mush the sentence facing,
Push this generation of kids
To stand and fight for the right
To say something you might not like
This white hot light

That i'm under, no wonder
I look so sunburned
Oh no I won't leave no stone unturned
Oh no I won't leave, won't go nowhere
do-si-do oh-yo-ho hello there
Oh yeah don't think i won't go there
Go to Beirut and do a show there
Yeah you laugh till' yo muthafuckin azz gets drafted
When you're in bandcamp thinking the crap can't
happen
Till you fuck around get a anthrax napkin
Inside a package wrapped in saran wrap
