Step right up
Am about ta light up the sky line
So bright am gonna
Fuck ya whole night up
Light up ya glow sticks
And go stick the stick
In ya ass
This is the ghost of christmas past
This is the host ya surpose
To kiss his ass
This is grose but listen close
If you don't you can go
And stick ya whole frickin nose
Againsgt this comparity
And let one go
And blows ya wiskers bk
And get a great big whole wiff
And if ya last with out passin out
You'd be on the next episode
Of fear factor yeah am back ta
Back to what? I don't know
Smack a little child's actors butt
Mick jackson what?
What the fuck you want?
I've got a punt and some jesue juice
Who needs an excuse theses days
The way they rally around pedophiles
Ya lucky I don't pee in ya face
I can do anything and apoligise for it later
And along as it anit a rasict tape
From 88 then am straight up
That can not be forgave
If a drank pee for 18 years straight
And eat shit everyday with? porksman? plate
That was shape like a toliet with a fork n steak knife
For the rest of my life I had to watch my Ex-wife
Get fucked by vanilla ice twice a day
Cus I said. I GDA when I was a teenager
Bliaaa blaaa straight up oragie 5 shortys
Let me get your number baby
Maybe I can hump your leg are somthing
But it's time for me to go

So I stoped and jumped in the vechile
