A lot of people ask me
Am I afraid of death?
Hell yeah I'm afraid of death,
I don't wanna die yet.
A lot of people think that I worship the devil,
that I do all types of retarded shit.
Look, I can't change the way I think,
I can't change the way I am,
but if I offended you, GOOD
'cause I still don't give a fuck

I'm zonin' offa one joint
Stoppin' the limo
hop in the window
shoppin' the demo at gun point.
A lyricist without a clue
what year is this?
Fuck a needle, here's a sword
body pierce with this.
Livin um up,
Never givin' a fuck
Gimme the keys I'm drunk
and I've never drivin' the truck.
But I smoke dope in the cab
I'll stab you with the sharpest knife I can grab
Come back the next week and re-open the scab.
A killer instinct runs in the blood
Empty your four clips and bury your guns in the mud.
I've calmed down now
I was heavy once into drugs
I could walk around straight for two months
with a buzz.
My brain's gone.
my soul's worn, my spirit is torn
The rest of my body is still being operated on
I'm ducked the fuck down while I'm writin' this rhyme
'cause I'm probably gonna get struck by lightning this
time.

To all the weed that I've smoked,
Yo this blunt's for you.

To all the people I've offended,
Yeah fuck you too.
To all the friends I use to have,
I miss my past
But the rest of you assholes can kiss my ass.
For all the drugs that I've done,
Yo I'm still gonna do.
To all the people I've offended,
Ya fuck you too.
Every time I reminisce,
Yo I miss my past.
But I still don't give a fuck,
Y'all can kiss
